

**SUBJECT:** Learn about saving for retirement with Fidelity's new online workshops

**MESSAGE:**

It's never too early to start planning for retirement. But where do you begin?

At Fidelity's e-Learning<sup>SM</sup> site at [www.fidelity.com/atwork](http://www.fidelity.com/atwork) you will find workshops that provide the tools, information, and education you need to make the most of your retirement savings plan. Interactive calculators and quizzes help you learn by applying your personal information and knowledge. If you access the workshop via NetBenefits<sup>SM</sup>, the workshop links to related areas in your NetBenefits account – giving you the ability to seamlessly apply what you are learning to your retirement savings account.

The workshops are entirely self-directed, so you can learn at any time and proceed at your own pace. And it's Web-based, so you can access it from any PC that has an Internet connection. The workshops cover a variety of subjects to help you:

- Understand investment concepts such as time horizon and asset allocation
- Estimate how much you'll need to contribute in order to reach your retirement goals
- Determine the right investment strategy for your needs
- Learn how to take an active role in your retirement savings plan

Visit Fidelity's new online e-Learning workshops right now and start planning for life after work today.
