

Housing rates...

All rates are for the 2011-2012 academic year. Rates for all buildings are subject to change and are increased annually. Rates for students in overassigned/temporary spaces are prorated 20% for each day in the overassigned/temporary conditions. Students living in single housing will be charged an increased rate. Purchasing a LION meal plan:

LMU Dining Services offers four pre-paid, non-refundable LION meal plans which use declining balance accounts. Conveniently accessed by your OneCard, your plan can be used to purchase food for yourself, friends and guests in one of our many outstanding campus dining venues.

Meal Plans: All students living in the residence halls are required to purchase one of the four plans. Commuter and apartment residents are not required to have a meal plan, but may purchase any of the plans through the online application.

Which Plan Should I Purchase? This is one of the most frequently asked questions. Plan L is for the student who will not miss any meals and who will be on campus most weekends. Plan I is for the hearty eater who may not be on campus some weekends. Light eaters usually find the O and N plans sufficient.

LION Dollar Plans: All LION plans are dispensed to the student's OneCard in semester increments. The balances of each plan will carry forward from fall to spring semesters, but will not carry forward from one academic year to the next due to sales tax rulings.

Meal Plans:	L	I	O	N

Bonus LION Dollars	\$200	\$160	\$140	—
