Purchasing a meal plan...

LMU Dining Services designs meal plans to meet a variety of dining needs. Four different pre-paid LION Dollar plans use declining balance accounts and are conveniently accessed by your OneCard student ID. The plan you choose can be used to purchase food for yourself, friends and guests in one of our many outstanding campus dining venues.

MEAL PLANS All students living in the residence halls are required to purchase one of the four plans. Commuter and apartment residents may also purchase any of the plans or open an S-Dollars account for a minimum value of \$100.

WHICH PLAN SHOULD I PURCHASE? This is one of the most frequently asked questions. Plan L is for the student who will not miss any meals and who will be on campus most weekends. Plan I is for the hearty eater who may not be on campus some weekends. Light eaters usually find the O and N plans sufficient.
