## **Developing an Assessment Plan for Your Program**

*(That's Meaningful & Manageable)*

**Tuesday, September 21, 2010  
12:15 pm – 1:15 pm in CTE  
University Hall 3030**

---

Successful program assessment helps you to understand and improve student learning across your curriculum. This workshop will provide guidelines for designing an effective plan to conduct program assessment.

We will discuss the essential components of a plan, ways to document your plan, and share ideas for keeping assessment both meaningful and manageable.

Presented by Dr. Laura Massa,  
Director of Assessment
