Improving Student Learning: An Introduction to Program Assessment

**Wednesday, February 4, 2009
12:00 pm – 1:00 pm in CTE
University Hall 3030**

At LMU the primary purpose of assessment is improving student learning. This presentation will show you the basic steps involved in using assessment to meet this purpose for your program or major. Also included in the presentation: an example of a program following the steps introduced, helpful hints, and a chance to ask your assessment questions.

**Lunch will be included, please RSVP to
teachers@lmu.edu or Ext.85866
