

### What is an Amplified Event?

- An event is amplified if it utilizes a public address system and speakers at an outdoor venue.
- Amplified events include, but are not limited to bands, DJs, and speakers.

### Scheduling an Amplified Event

- Only organizations and University departments may sponsor an amplified event.
- Organizations must submit an Activity Planner to Student Leadership & Development requesting amplification.
- Student Leadership & Development will preview the amplified event to ensure compatibility with the University's mission.

### Amplified Event Hours

- Weekday amplified events are permitted Tuesdays and Thursdays between 12:15pm and 1:25pm.
- Friday and weekend amplified events must abide by the following time restrictions:
  - Friday: 3:00 pm – 10:00pm
  - Saturday: 10:00 am – 10:00pm
  - Sunday: 11:00 am – 8:00pm
- No amplified events are permitted in close proximity to classes in session.
- No amplified events are permitted on Church holy days, during Church services, or during finals week.
- Only one amplified event may occur at any given time, unless prior approval is granted from Student Leadership & Development.

### Policies

- Outdoor concerts are prohibited unless an exception is granted by the Senior Vice President of Student Affairs or designee.
- All amplified events must be compatible with the University's mission. Profanity of any kind is prohibited at all times during amplified events.
- Organizations must always be conscious of the proximity to residential living areas and the surrounding neighborhood.
- All amplified events must be booked at least two weeks prior to the event. LMU Community Relations will notify community members as needed.
- At no time shall amplified events begin prior to 10:00am on any day of the week.
- Amplification must not impede the operation of University offices, academic classes, departments or existing events.
- No amplified events may occur outside of University Hall, except on Shea Terrace.
- Organizations must comply with University staff if requested to lower the volume or end amplification at an event.
- Exceptions for time and place restrictions must be granted by the Senior Vice President for Student Affairs or designee.

- Given the large number of requests for amplified Convocation Hour events and the low number of available dates, a maximum of two events per month for each organization is permitted. Departments are limited to one amplified Convocation Hour event per month to ensure maximum opportunities for organizations.
- Amplification is not allowed on Leavey Field.
