Revised June 2009.
The LMU OneCard.

It's all you need.

You will be issued a OneCard when you begin classes at LMU. Not only is it your student ID card, but it's also your library card, meal card and residence hall access card. In short, it's the official campus card. It can be used in many ways for all kinds of transactions, both on and off campus. The way you use it depends entirely on your personal needs! Your OneCard is valid as long as you are actively enrolled at LMU.

There are several accounts you can have on your OneCard.

L, I, O, N Plans*

Students living in traditional residence halls are required to purchase one of the four California sales-tax exempt, non-refundable LMU meal plans. Commuter students and students living in on-campus apartments are also eligible to purchase one of these plans. The LION plans are good at any of the dining venues on-campus only.

You can choose between the L, I, O and N plans. Each plan has a different buy-in amount, and some come with bonus dollars when purchased. The bonus amount is added the third week of the spring semester. Normally, L, I, O and N plans can be changed only during the third and fourth week of classes in the Student Accounts office in University Hall.

The funds in your plan account must be used by July 31st of the academic year. Any remaining balance on these plans at the end of the year will be removed. However, a small percentage can carry over to the next year and be placed in the S-Dollar account. If you run out of LION Dollars during the year, you can deposit funds in the optional S-Dollar account.

S-Dollar plan

S-Dollars is an auxiliary meal account option open to undergraduate students only. Balances remaining in the S-dollar account are carried forward from year to year as long as the cardholder is actively enrolled at LMU. Like funds in the LION plans, the money spent from this account is tax-free, but is only good at venues on campus and is non-refundable. If a resident student has one of the L, I, O, N plans, they do not need an S-dollar account.

Flexi-Dollars for fun

There's more to your OneCard than eating! With Flexi-Dollars, you can make transactions in the bookstore, library, mail center; make copies; do your laundry in the dorms; or even make purchases off-campus. Flexi-Dollars can also be used at on-campus food service locations, but unlike LION Dollars, purchases are assessed applicable sales tax.

Flexi-Dollars carry over from year to year while you are actively enrolled in LMU. The Flexi-Dollars program is open to all students, faculty and staff.
