Statement (500 words or less):

- 1) list goals for two years of work on a small number of high-leverage institutional agendas (e.g., to improve students’ ability to integrate ideas or to enhance the first-year experience) that can be strengthened through the scholarship of teaching and learning.
- 2) describe how that new work will build on what has been accomplished through your CASTL participation.

*Statements will be accepted until November 30, 2009.
