## Scholarship of Teaching and Learning Showcase Week Workshop: A Learning Community Approach to Curriculum Development at LMU

Friday, September 28, 2007 Noon to 1 PM  
The Center for Teaching Excellence  
University Hall 3030

*Knowing there never was enough time, there is not enough time now, and there will certainly be less time in the future ... still, we invite you to attend a workshop where you will hear about a way to work with colleagues in a partnership that can develop into a renewing, productive and scholarly fellowship.*

- What is a learning community?
- How would a learning community approach curriculum development?
- What value is added by CCC, CTE, and CSA partnering through a learning community?

Explore these questions with representatives from:

CCC (Core Curriculum Committee),  
CTE (Center for Teaching Excellence) and  
CSA (Center for Service and Action)
