Dear Loyola Marymount University Students,

On behalf of the Division of Student Affairs, welcome to the 2014-2015 academic year! We hope that you will fully participate in the richness that our academic community has to offer through its traditions and legacies. It is in this spirit that we invite you to read the Lion’s Code, which you will find on page 4.

Our mission at LMU embraces the encouragement of learning, the education of the whole person, the service of faith and the promotion of justice. We expect your experience to be transformative and supportive of your intellectual, ethical, spiritual and personal formation.

We pride ourselves on being a university which graduates students who are prepared to be global leaders with and for others. To this end, the Community Standards booklet contains policies that are based on the assertion that students view their campus with a sense of community and are engaged in the development of the University. The Community Standards have been established to assist in building a community of scholarship where the respect, consideration and dignity of every single one of us are paramount. Thus, we hold the members of our community to standards of excellence with their academics and personal behavior. Such an environment is essential in the delivery of LMU’s particular brand of Catholic education, which has been marked profoundly by the Marymount and Ignatian traditions.

The policies and resources included in this booklet apply to all students of Loyola Marymount University. Please take the time to carefully review this information, as it is your responsibility to be familiar with all of the University’s standards of conduct. It is important to keep in mind that ignorance does not excuse the violation of any policy or procedure. The University reserves the right to change any provision or requirement at any time. During the course of the year, updates to this printed copy can be found on the University website, http://lmu.edu.

Loyola Marymount University is committed to providing an intellectually challenging and enlivened campus community. We ask that you engage in your learning to the fullest, that you lead with intelligent hearts and compassionate minds, and that you serve those who are in need.

We wish you a successful academic year!

Sincerely,

Richard T. Rocheleau
Interim Dean of Students

DESCRIPTIVE

To be in the world, to be fully alive, is to inhabit a place. A Lion finds her or his place guided by the traditions, the community, and the academy of Loyola Marymount University.

Inspired by the traditions of its founding religious orders Loyola Marymount University has cleared a place for you to stand in faith, learn to be one for others, and take up responsibility in the world. In faith, the Lion grows to be fully alive, clear in thought, rich in vision, and vigorous in act.

In the community of Loyola Marymount University, the Lion discovers her and his place in the world. Respect for others’ individuality, culture, and belief provides the Lion the freedom to explore her or his identity.

Recognizing dignity in others, in groups, and in traditions illuminates the dignity of all. The Lion gladly takes responsibility for the actions of the mind, hand and heart, and thereby, builds the community that sustains all.

In the academy, the Lion bonds with wisdom of the ages. Academic discourse is composed of diverse perspectives, sciences, and arts. The conversation of this place requires respect for peers, professionals, professors, and students. With honesty of voice and integrity of scholarship, the Lion joins the conversation that summons the passion for learning and shelters the adventurous mind.

Some will pass through and never inhabit this place. Others will be here but never shape this place.
Those who embrace this tradition give form and force to this place, just as the tradition inhabits and shapes our mission: the encouragement of learning, the education of the whole person, the service of faith and the promotion of justice. In this tradition, among this community, within this academy, you are asked to stand, learn, and be in the world.

YOU ARE ASKED TO BE A LION.

DECLARATIVE

I am a Lion. Courageous of mind, charitable of heart, I stand in faith.

I will own the actions of my mind, hand and heart and build the community that sustains us. The respect and support that nurtures me is born of my respect for others. The dignity of the other, the stranger, grants me dignity. The expectations of my community are my own, and I will discover how I may be more fully alive.

I will join the discourse of the academy with honesty of voice and integrity of scholarship. Respecting peers, professionals, professors, and students, I will embrace the diverse perspectives, arts, and sciences to discover what it means to be human. I will shelter and support the intellectual adventures of others.

In this tradition, within my community, a part of this academy, I stand in faith, prepared to learn to be one for others, ready to take up responsibility in the world.
I. Judicial Affairs Mission Statement

Loyola Marymount University (LMU or “University”) provides its students with an academic environment conducive to the pursuit of knowledge. This academic environment is based upon respect, trust, integrity and accountability among all members of the University community.

Operating within the context of the University’s mission, the Department of Judicial Affairs seeks to maintain the University’s academic environment by educating and upholding community standards. The Department of Judicial Affairs supports the educational mission of the University by administering the Student Conduct Code in a manner that educates Students, holds them accountable for Student Conduct Code violations and helps them grow into more responsible and community-minded persons.

II. Introduction

It is the intention of the Student Conduct Code (sometimes hereinafter “the Code”) to clarify the standards of behavior essential to the University’s educational mission and its community life. Excepting Loyola Law School students (“Law School Students”) who are subject to the Law School’s disciplinary code, the Student Conduct Code is applicable to all LMU Students - undergraduate and graduate. Students are also responsible, and will be held accountable, for the conduct of their Guests.

III. General Guidelines

A. Definitions:

1. “Advisor” means any current LMU Student, faculty, staff or religious community member, but specifically excludes Law School Students, Law School faculty and Law School staff. Off-campus individuals, parents, family members, attorneys, alumni/ae, and those persons who have no affiliation with the University are expressly excluded from the definition of “Advisor” and cannot serve as Advisors. Current faculty or staff cannot act as an Advisor to their own family members.

In conformity with the Violence Against Women Act (VAWA), in incidents involving charges of Sexual Harassment/Sexual Misconduct and interpersonal misconduct including Dating Violence, Domestic Violence and Stalking, (as referenced under Section IX of the Student-on-Student Sexual & Interpersonal Misconduct Policy and Protocol) the definition of Advisor is expanded to include any advisor of the Complainant’s or Respondent’s choice.

2. “Assault” means any actual or threatened action that results in personal harm or the reasonable apprehension of personal harm.

3. “Bullying” means an intentional course of conduct, individual act or series of acts that is intended to impose one’s will or desire and causes harm to others, and may include verbal or non-verbal threats, assault, stalking or other methods of attempted
coercion such as manipulation, blackmail or extortion (including, without limitation, offending conduct that is undertaken or effected in whole or in part through the use of electronic messaging services, commercial mobile services, electronic communications, social media or other technology). In addition, Bullying includes, but is not limited to, unwanted or uninvited aggressive behavior that intends to harm, threaten, frighten or intimidate another person and may involve a pattern of behavior that is repeated over time where an imbalance of power exists between the Respondent and the Complainant.

4. “Complainant” means the individual(s) who file(s) a Student Conduct Code complaint with the University. In some instances the University may serve as a Complainant.

5. “Dating Violence” means violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim. The existence of such a relationship is determined based on the reporting party’s statement and with consideration of the length of the relationship, the type of relationship, and the frequency of interaction between the persons involved. Dating violence does not include acts covered by the definition of “domestic violence.”

6. “Day” means a regular University business day. It shall not include Saturdays, Sundays or administrative holidays.

7. “Disruptive Behavior” means behavior that unreasonably interferes with the safety, stability or continuance of normal University life, operations or University-sponsored activities. Disruptive Behavior includes, but is not limited to, behavior that threatens or endangers the physical and/or psychological well-being and/or safety of members of the University community.

8. “Distribution” means the actual or intended sale, exchange and/or dispensation of prohibited substances or materials irrespective of personal profit.

9. “Domestic Violence” means a felony or misdemeanor crime of violence committed by a current or former spouse or intimate partner of the victim, by a person with whom the victim shares a child in common, by a person who is cohabitating with or has cohabited with the victim as a spouse or intimate partner, by a person similarly situated to a spouse of the victim under California law or by any other person against an adult or youth victim who is protected from that person's acts under California law.

10. “Guest” means person(s) to whom a Student is extending or has extended hospitality, an invitation or permission to be present or remain in, on or at the campus, University facilities or to attend University events on or off campus.

11. “Group” means any number of persons who are associated with each other and who have not complied with University requirements for registration as a Student Organization or University program.

12. “Harassment” means unwelcome verbal, non-verbal, physical or visual conduct including, without limitation, physical aggression, Bullying, intimidation or hostility (including conduct that is undertaken in whole or in part through the use of electronic messaging services, commercial mobile services, electronic communications, social media or other technology), which may or may not be based on any legally
protected characteristic, that is sufficiently severe, persistent or pervasive so as to limit or unreasonably interfere with a Student’s ability to participate in or benefit from any LMU program or activity on or off-campus, and thereby creates an intimidating, hostile, or offensive, living, academic or work environment.

13. “Institution” and “University” mean Loyola Marymount University.

14. “Organization” means any number of persons who have complied with University requirements for registration as a Student Organization or University program.

15. “Preponderance of Evidence” means such evidence as when weighed with that opposed to it has more convincing force and the greater probability of truth.

16. “Reckless Behavior” means conduct that one should reasonably be expected to know would create a substantial risk of harm to persons or property or that would otherwise be likely to result in interference with normal University life, operations or University-sponsored activities.

17. “Respondent” means the individual(s) against whom a Student Conduct Code complaint is made.

18. “Retaliation” is any adverse non-permitted action taken in response to an action, injury or protected activity.

19. “Sexual Harassment” means unwelcome verbal, non-verbal, physical or visual conduct of a sexual nature (including conduct or Bullying that is undertaken in whole or in part through the use of electronic messaging services, commercial mobile services, electronic communications, social media or other technology). In accordance with Title IX, Sexual Harassment includes, without limitation, unwelcome sexual advances, requests for sexual favors, sexual assault, sexual violence and sexual coercion.

20. “Stalking” means engaging in a course of conduct directed at a specific person(s) that would cause a reasonable person under similar circumstances and with similar identities to the Complainant to fear for his or her safety or the safety of others; or suffer substantial emotional distress. For the purposes of this definition, “course of conduct” is defined as two or more acts, including, but not limited to, acts in which the stalker directly, indirectly or through third parties, by any action, method, device or means, follows, monitors, observes, surveils, threatens or communicates to or about a person, or interferes with a person’s property.

21. “Student” means a person currently enrolled or eligible and intending to enroll in any University program or class during the fall or spring semesters, recess period between semesters or summer period, on or off University campus, and includes all persons taking courses at the University, full-time or part-time, pursuing undergraduate, graduate or professional studies. However, the term “Student” does not include Law School Students or LMU Extension Students. During the recess period between the fall and spring semesters or the summer period, Student includes one who has been enrolled at the University for the immediately preceding fall or spring term and/or is eligible for continuing enrollment or graduation.

22. “University Community” means Students, staff, faculty, administration and religious community members of the University, but not their counterparts at the Law School.
23. “University Premises” means buildings or grounds owned, leased, operated, controlled or supervised by the University.

24. “University-sponsored Activity” means any activity on or off campus that is initiated, authorized or supervised by the University or a University Student Organization or University program.

25. “Weapon” means any object or substance designed to inflict a wound, cause injury or incapacitate including, but not limited to, all firearms, ammunition, chukka sticks, explosives, pellet guns, knives, projectile launchers and chemicals, such as mace or tear gas.

26. “Witness” means any person, excluding experts, called upon to furnish relevant knowledge or information relating to an incident about which s/he is not a Complainant or Respondent.

27. The terms “will” or “shall” are used in the imperative sense. The term “may” is used in the permissive sense.

B. Interpretations of the Student Conduct Code

Student Conduct Code regulations are set forth in writing in order to give Students general notice of prohibited conduct. The Code and its regulations are intended to be read broadly and are not designed to define misconduct in exhaustive terms. Attempts to commit acts prohibited by this Code shall be handled and remedied in the same manner and to the same extent as completed violations.

C. Jurisdiction of the University

Jurisdiction extends to conduct that occurs on University premises, in Study Abroad programs or at University events, programs or activities, on and off campus, as well as to other off-campus misconduct that adversely affects the University, Students, the University’s reputation or good will, and/or the pursuit of the University’s mission, goals and objectives.

D. Inherent Authority

The University reserves the right to take necessary and appropriate action to protect the safety and well-being of the University and University community. The University also reserves the right to take necessary and appropriate action as a result of Student incidents off campus that may adversely affect the well-being, reputation or good will of the University, University community, University community members and/or the pursuit of the University’s mission, goals or objectives.

E. Code as Superseding Authority

This Code shall supersede any and all regulations and/or decisions made by Student Organizations and their affiliates including, but not limited to, the Associated Students of Loyola Marymount University (ASLMU), Greek Council, Resident Housing Association and the Service Organization Council.
F. Student Participation
Students are asked to assume positions of responsibility in connection with the enforcement of the Student Conduct Code so that they might contribute their skills and insights toward the resolution of Student Conduct Code matters. However, final authority in Student Conduct Code matters is vested in the University administration and primarily with the Senior Vice President for Student Affairs.

G. Focus of the Proceedings
The primary focus of the inquiry in Student Conduct Code proceedings shall be to determine if the subject Student is responsible or not responsible for the alleged violation of the Student Conduct Code and, if the Student is found to be responsible for a violation, to provide the appropriate remedy. Proceedings shall be prompt, fair and impartial. In keeping with the mission of the Department of Judicial Affairs and purpose of the Code, Student Conduct Code proceedings do not, and are not intended to, emulate the criminal justice system, its processes and/or procedures. Student Conduct Code proceedings are intended to be educational and less formal, adversarial and complex than criminal justice processes and procedures. Formal rules of evidence shall not be applicable nor shall deviations from prescribed procedures necessarily invalidate a Student Conduct Code decision or proceeding.

H. Violations of Law and the Student Conduct Code
Students may be accountable criminally, civilly and/or to the University for acts that constitute violations of federal, state or local law and of this Code. Because of the need to efficiently, effectively and promptly protect the academic environment, University life and operations, Student Conduct Code proceedings will normally proceed without regard to or for the pendency of criminal or civil proceedings, and Student Conduct Code proceedings are not subject to challenge on the grounds that criminal or civil charges involving the same incident/conduct are being investigated, prosecuted or have been reduced or dismissed.

Students subject to actual or potential criminal charges relating to conduct alleged in pending Student Conduct Code proceedings may assert their Fifth Amendment privilege against self-incrimination during Student Conduct Code proceedings. While no inference of responsibility for Student Conduct Code violations will be drawn because of the assertion of the Fifth Amendment privilege, the Judicial Officer(s) will nonetheless evaluate all the other information and evidence in making their determination.

I. Burden of Proof
The burden of proof shall be upon the Complainant who must establish the responsibility of the Respondent for the alleged Student Conduct Code violations by a preponderance of the evidence.
J. Statute of Limitations

Unless the law requires a longer period of limitation, a Student Conduct Code complaint against the Respondent must be filed within one calendar year of the conduct alleged to be a violation.

K. Student Mail

The Department of Judicial Affairs will, at its discretion, communicate to all Students via any one or more of the following methods: official University e-mail account, U.S. Mail, parcel delivery (e.g. UPS, Fed Ex), and/or personal hand delivery. Students should normally expect that the Department of Judicial Affairs’ primary medium of communication will be through their official University e-mail account. Students are held responsible and accountable for retrieving communications from their official University e-mail account on a daily basis. Failure to do so is not an acceptable excuse for delaying the judicial processes.

L. Student Organizations

Student Organizations may be charged with the violation of any section of the Code or violation of any published University policies and procedures. A Student Organization and its officers may be held collectively or individually responsible when those associated with the Student Organization violate this Code, particularly when those involved have received the tacit or overt consent or encouragement of the organization, its leaders, officers or spokespersons. The officer(s), leader(s) or any identifiable spokesperson(s) for a Student Organization may be directed by the Dean of Students or a designee to take appropriate action designed to prevent or end violations of this Code by the Student Organization. Sanctions for organizational misconduct may include revocation or denial of registration as well as other appropriate sanctions, pursuant to Section V of this Code.

The Department of Judicial Affairs may notify any and all necessary University officials who act in a liaison or advisory capacity for the subject Student Organization(s) or University program(s) of alleged violations of the Code by the Student Organization(s) or University program(s) and the outcome of proceedings regarding alleged violations by Student Organization(s) or University program(s). Student Organizations with a National Governing Body may be permitted one Advisor outside of the LMU community, if an on-campus Advisor is not reasonably available to assist, but that outside Advisor may not be a lawyer or law student.

M. Reservation of Rights

The University expressly reserves the right to revise, supplement or withdraw any Code section, University policy or portion of a University policy periodically as it deems necessary.

Upon the declaration of a campus emergency, all student policies and procedures remain in effect. However, the Senior Vice President for Student Affairs, or his or her designee, may temporarily suspend and/or revise existing policies, procedures or processes for the health and safety of the campus community and to assist and support the University’s efforts during the emergency and subsequent recovery.
N. Knowledge and Awareness of Policies and Code

Students are expected to know and understand University policies. Ignorance is not an acceptable justification or defense for committing violations of University policies or this Code. Lack of intent or awareness of such policies or Code will not be accepted as an excuse or defense for violations, and will generally subject the Respondent to the same consequences as deliberate violations.

IV. Prohibited Conduct

A. Dismissal from the University

Dismissal is the permanent separation of the Student from the University. Permanent notification may appear on the Student's University transcript. The Student will also be banned from campus and University premises. The sanction of dismissal requires the review and approval by the Senior Vice President for Student Affairs, who may alter, defer or suspend this recommended sanction. Any alteration, deferral or suspension of this sanction may be subject to specified conditions.

B. Suspension from the University

Suspension is the separation of the Student from the University for a stated period with an opportunity for reinstatement consideration. Permanent notification of the suspension may appear on the Student's University transcript. While suspended, the Student is ineligible for and shall not participate in any University-sponsored activities and may be banned from campus and University premises. Suspended time will not count against any time limits of graduate schools or programs for completion of a graduate degree. Any alteration, deferral or suspension of this sanction may be subject to specified conditions.
C. Exclusion from Campus, University Premises, Facilities or Events
Excluding a Student from campus, University premises, University facilities or events means that the Student is not allowed to be on the campus, University premises, at University facilities or in attendance of an event for or during specific time periods. Notification of disciplinary probation may be sent to the appropriate University offices and officials.

E. Housing Probation
The Student is given written notice that any further infractions of the Code, University policies or Housing policies may result in removal from University housing and/or determination that the student be ineligible for or restricted from present and future housing opportunities. The Student is required to meet with his/her Resident Director within two weeks of being placed on housing probation.

F. Removal From or Relocation Within Student Housing
Students who demonstrate that they are unable to live in University housing facilities as demonstrated by material and/or repeated Code or policy violations may be relocated to another housing facility, or have their housing license agreement terminated, and if removed may be banned from housing facilities and ineligible for future housing, including summer housing.

G. Ineligibility for Graduation and Participation in Ceremonies
Sanctions for violations of the Code may include prohibition from participation in graduation ceremonies, and Students, charged with alleged Code violations prior to graduation, which charges have not yet been adjudicated, may not graduate, participate in graduation ceremonies or receive a diploma/degree until the Student Conduct Code proceedings have been adjudicated and, if found responsible, sanctions completed.

H. Restitution
The Student is required to make financial payment to the University for amounts assessed or incurred as a result of a determined Code violation. Restitution payments between individual Students, groups or Student Organizations will not be sanctioned, mandated or administered.

J. Community Service/Educational Project
Community service, work on campus, research projects or other appropriate learning experiences may be assigned.

K. Disciplinary Warning
Without placing a student on Disciplinary Probation, the Student is given verbal and/or written warning that future misconduct may result in more severe disciplinary action.

8. In the event of a vacancy, suspension or disqualification of a Student Conduct Committee member, the Senior Vice President for Student Affairs shall fill the vacancy.

9. A quorum for the Student Conduct Committee shall be three members with a minimum of one Student and one faculty member.

VII. Student Procedural Protection

A. Referrals
Suspected violations of this Code, including those discovered during the adjudication and/or investigation of Student Conduct Code proceedings, shall be submitted to the Department of Judicial Affairs. Persons making such referrals (the Complainants) are required to provide information and evidence pertinent to the case and may be asked to appear before a Judicial Officer/Hearing Board and/or the Student Conduct Committee.

B. Student Conduct Code Hearings
The Chief Judicial Officer or designee shall review referrals to determine whether or not there is sufficient evidence to charge a Student with a violation of the Code and to hold a Student Conduct Code hearing.

C. Due Process
Students charged with Code violations are accorded the following procedural protections:

1. A written or electronic notice of misconduct charges, the location of copies of the Student Conduct Code a scheduled hearing with a Judicial Officer or applicable Hearing Board and timely notice of that hearing. Students who fail to appear after timely notice will be deemed to have accepted responsibility for the charges asserted against them.

2. A hearing during which the Judicial Officer/Hearing Board shall specify the nature of the alleged misconduct and the basis for the charge, including the time, date and place where it is alleged to have occurred. Students (Complainants and Respondents) shall have the opportunity to present evidence relevant to the alleged misconduct and to respond to the evidence against them including the right to offer evidence and call appropriate fact (non-expert) witnesses. Expert witnesses are not allowed and

18 Student Conduct Code
character witnesses are disfavored. Students (Complainants and Respondents) may utilize the assistance of an Advisor during the hearing.

3. During the hearing, the Judicial Officer/Hearing Board shall explain the University’s judicial system and Student rights and provide a copy of the Student Conduct Code. The Judicial Officer/Hearing Board shall also explain the quasi-confidential nature of the judicial process and the fact that the hearing may become a part of the file relating to the case.

4. Reasonable access to the evidence supporting the charge will be made available to the Students (Complainants and Respondents), upon request, prior to the hearing.

5. If a further hearing is necessary, a supplemental proceeding will be scheduled.
   a. Students (Complainants and Respondents) or the Judicial Officer/Hearing Board may submit new and/or additional evidence and call appropriate fact (non-expert) witnesses at the supplemental proceeding. Expert witnesses are not allowed and character witnesses are disfavored. Students (Complainants and Respondents) shall have the opportunity to respond to any new or additional evidence that is presented for the first time at the supplemental proceeding.
   b. Students (Complainants and Respondents) may utilize the assistance of an Advisor during the supplemental hearing.

6. Students who wish to have the assistance of an Advisor must inform the presiding Judicial Officer in writing or via e-mail at least two (2) days prior to the scheduled date of the hearing. The Advisor’s role is to assist students in understanding the judicial process during hearings. Advisors may not address the Judicial Officer/Hearing Board or play any other role during hearings. All communication involving Advisors must be between the Advisor and Student. An Advisor may not appear in lieu of the Student.

7. Sanctions shall be levied if it is determined that the Student is responsible for the violation. If not, the charge will be dismissed.

8. Students (Complainants and Respondents) may have the assistance of fact (non-expert) witnesses. Expert witnesses are not allowed and character witnesses are disfavored. The Judicial Officer/Hearing Board must be notified prior to the hearing that the Student plans to provide witnesses. These witnesses must have relevant knowledge and information pertaining to the case.

9. Complaints will be promptly investigated. In normal circumstances, complaints will be investigated and at least an initial determination made within sixty (60) days of the receipt of the complaint.

10. For compliance with Clery Act records retention requirements, all official judicial correspondence will be retained for a minimum of seven (7) years.

11. A Student’s judicial history and record is cumulative; therefore increased sanctions may be imposed to take into consideration the Student’s overall record of violations of all types, not just those of a similar type.

VIII. Hearing Procedures
The following procedural guidelines shall be applicable in judicial hearings before the
Judicial Officer/Hearing Board:

A. The Judicial Officer/Hearing Board has the right to request the presence of and interview witnesses.

B. Hearings will generally be private except for Judicial Officers/Hearing Boards, parties and Advisors. Recording devices (audio and/or video) of any kind are not permitted for use by the Students, witnesses or Advisors. Nothing herein shall prevent the Judicial Officer/Hearing Board from arranging to have the Complainant and the Respondent participate in the hearing before the Judicial Officer/Hearing Board without the ability to observe or physically see the other. If observation is permitted, it may be by electronic or other means intended to screen the parties’ view of each other.

C. The Judicial Officer/Hearing Board shall exercise control over the procedures to avoid needless consumption of time. Any person, including the Advisor, who disrupts a hearing, refuses to follow the rules or procedures or who fails to adhere to the admonitions and rulings of the Judicial Officer/Hearing Board may be excluded from the proceedings.

D. The decision of the Judicial Officer/Hearing Board must include a summary of the testimony, findings, decision and applicable sanction(s). The decision shall be sufficiently detailed to permit review as provided in this Code.

E. Prior to the hearing, Students (Complainants and Respondents) may challenge a Judicial Officer/Hearing Board member on the grounds of personal bias. Any such challenge must be made in writing to the Dean of Students or designee not less than two (2) days prior to the hearing. The disqualification challenge of a Judicial Officer/Hearing Board member shall be determined by the Dean of Students or designee. If a challenge is sustained, the charge shall be referred to another Judicial Officer/Hearing Board member.

F. Witnesses shall be asked to affirm that their testimony is truthful and may be subject to charges of providing false information pursuant to Section IV(H) of this Code.

G. The burden of proof shall be upon the Complainant who must establish the responsibility of the Respondent by a preponderance of the evidence.

H. Except as provided herein, formal rules of evidence and discovery shall not be applicable in proceedings conducted pursuant to this Code. The Judicial Officer/Hearing Board shall give effect to recognized rules of privacy (including the Family Education Rights and Privacy Act [FERPA]) and privilege but shall otherwise admit all matters into evidence which reasonable persons would accept as having probative value in the conduct of their affairs. Unduly repetitious or irrelevant evidence may be excluded.

I. Written statements shall not be admitted into evidence unless signed by the affiant and witnessed by a person designated by the Dean of Students or designee.
J. A Student with a case assigned to a Student Hearing Board has the option to have the matter heard by a Judicial Officer. Notice of such election must be given to the presiding Judicial Officer no less than two (2) business days prior to the date of the hearing.

IX. Appeal Procedures
A. Except for appeals of charges of Sexual Harassment/sexual misconduct and interpersonal misconduct including Dating Violence, Domestic Violence and Stalking, which are authorized under Section X(R) of this Code, any Judicial Officer or Hearing Board disciplinary sanction not resulting in suspension or dismissal may be appealed by the Respondent to the Student Conduct Committee on one or more of the following grounds:
   1. The sanction is substantially disproportionate to the offense.
   2. The procedures provided for in this Code were not materially followed resulting in significant prejudice to the Student.
   3. New relevant evidence is available which in the exercise of reasonable diligence could not have been produced at the time of the hearing.
   4. The decision is not supported by substantial evidence.
B. All petitions for appeals shall be submitted to:
   The Student Conduct Committee  
c/o The Department of Judicial Affairs  
Malone 355
C. Appeal petitions must be submitted via written (typed or printed) statement by the Student and received by the Student Conduct Committee c/o The Department of Judicial Affairs within three days from the date of the imposition of the original decision. Appeal petitions may not be submitted by Advisors or third parties (including, without limitation, lawyers or Law School Students) on behalf of the Student. Failure to appeal within the allotted time will render the original decision final and conclusive. Failure to comply with these procedures may result in the rejection of an appeal petition.
D. The appeal petition must be accompanied by a written statement in support of an appeal pursuant to either Section IX(A) or Section X(A). Upon notification of the receipt of a proper and timely appeal petition, the Chief Judicial Officer or designee shall convene the Student Conduct Committee.
E. On appeal pursuant to Section IX(A), the Student Conduct Committee will review the Judicial Officer’s/Hearing Board’s summary of the testimony, findings and decision and the recommended sanction, the Student’s disciplinary history and the written statement of the Student filed with the appeal petition. The Student Conduct Committee may, but is not required to, request either the Judicial Officer/Hearing Board or the Student to submit additional information in writing. If the Judicial Officer/Hearing Board is requested to submit additional information, the Student shall be entitled to reply in writing to the additional written information supplied by the Judicial Officer/Hearing Board.
F. The Student Conduct Committee shall give deference to the determinations of the Judicial Officer/Hearing Board, and may make one of the following recommendations:

1. Recommended sanctions may be reduced, if found to be substantially disproportionate to the offense; increased, if found to be an inadequate response to the misconduct; or affirmed.

2. The case may be referred back to the Dean of Students or designee for reassignment to a new Judicial Officer/Hearing Board if specified procedural errors in interpretation of this Code were so substantial as to effectively deny the student a fair hearing or if significant new evidence became available which could not have been discovered by a properly diligent Student before or during the original hearing.

3. The case may be dismissed if the decision is not supported by substantial evidence.

4. The Student Conduct Committee will not alter a decision of the Judicial Officer/Hearing Board if there is any amount of evidence, or reasonable inferences arising therefrom which supports the decision, regardless of the amount or quality of contradictory evidence or conflicting evidence.

G. A tie vote in an appellate proceeding will result in affirmation of the original decision.

X. De Novo Hearing Procedures

The following procedural guidelines shall be applicable in de novo hearings before the Student Conduct Committee:

A. Except for appeals of Sexual Harassment/sexual misconduct and interpersonal misconduct including Dating Violence, Domestic Violence and Stalking charges, which appeals are authorized under subsection (R) below, any recommended Judicial Officer or Hearing Board disciplinary sanction resulting in suspension or dismissal from the University may be appealed by the Respondent to the Student Conduct Committee for de novo review. The sanction may be appealed to the Student Conduct Committee on the following grounds:

1. The sanction is substantially disproportionate to the offense.

2. The procedures provided for in this Code were not materially followed, resulting in significant prejudice to the Student.

3. New relevant evidence is available within the exercise of reasonable diligence that could not have been produced at the time of the hearing.

4. The decision is not supported by substantial evidence.

If the appeal petition requesting a de novo hearing is granted, the Student shall receive a de novo hearing before the Student Conduct Committee.

B. The presiding officer may request the presence of fact witnesses upon his/her motion, upon the motion of the Student Conduct Committee or of the Complainant or Respondent. Requests will be determined and approved or disapproved by the Senior Vice President for Student Affairs or a designee, and shall be transmitted to the witness.
by personal delivery or U.S. Mail, or by e-mail to the witnesses’ official University e-mail account. University Students and employees are expected to comply with requests issued pursuant to this procedure, unless compliance would result in significant and unavoidable personal hardship or substantial interference with normal University activities.

C. Respondents who fail to appear at a de novo hearing after proper notice will be deemed to have abandoned their appeal and to have accepted responsibility for the charged misconduct.

D. Hearings will generally be private except for Student Conduct Committee personnel, the Complainant and Respondent and their Advisors.

E. The presiding officer shall exercise control over the hearing to avoid needless consumption of time. Any person, including an Advisor, who disrupts a hearing or who fails to adhere to the admonitions or rulings of the presiding officer may be excluded from the proceedings.

F. Hearings may be recorded and transcribed by the Student Conduct Committee only. If a recording or transcription is not made, the decision of the Student Conduct Committee must include a summary of the testimony, findings and recommended decision, and recommended sanction if a violation is found.

G. Recording units (audio and/or video) are not permitted for use by the Student (Complainant or Respondent), witnesses and/or Advisors.

H. Concurrent with the filing of an appeal petition, Complainant or Respondent may challenge a member of the Student Conduct Committee on the grounds of personal bias.

All disqualification challenges of Student Conduct Committee members shall be determined by the Senior Vice President for Student Affairs or designee. If a challenge is sustained, the proceedings will continue without the participation of the disqualified member.

I. Witnesses shall be asked to affirm that their testimony is truthful and may be subject to charges of providing false information pursuant to Section IV(H) of this Code.

J. Prospective witnesses, other than the Complainant and the Respondent, may be excluded from the hearing during the testimony of other witnesses. All parties, Advisors and witnesses shall be excluded during Committee deliberations. Nothing herein shall prevent the Student Conduct Committee from arranging to have the Complainant and the Respondent view and participate in the hearing before the Student Conduct Committee without the ability to observe or physically see the other. If observation is permitted it may be by electronic or other means intended to screen the parties’ view of each other.

K. The burden of proof shall be upon the Complainant who must establish the responsibility of the Respondent by a preponderance of the evidence.

L. Except as provided herein, formal rules of evidence and discovery shall not be applicable in these proceedings conducted pursuant to this Code. The Student Conduct Committee
shall give effect to the recognized rules of privacy (including the Family Education Rights and Privacy Act [FERPA]) and privilege but shall otherwise admit all matters into evidence which reasonable persons would accept as having probative value in the conduct of their affairs. Unduly repetitious or irrelevant evidence may be excluded.

M. Affidavits shall not be admitted into evidence unless signed by the affiant and witnessed by a person designated by the Dean of Students or designee.

N. The Student Conduct Committee may take judicial notice of matters that would be within the general experience of University Students.

O. The Student Conduct Committee shall be provided copies of the Student’s disciplinary record when reference to the Student’s disciplinary history is included in the decision made by the Judicial Officer/Hearing Board.

P. A quorum for the Student Conduct Committee shall be three members with a minimum of one Student and one faculty member.

Q. Procedural, evidentiary and final recommendations of the Student Conduct Committee shall be by majority vote of the members present and voting. A tie vote in a de novo proceeding will result in dismissal of the charge. Procedural or evidentiary issues in any hearing before the Student Conduct Committee shall be determined by the Committee’s presiding officer in accordance with this Code. The Student Conduct Committee shall give effect to the recognized rules of privacy (including the Family Education Rights and Privacy Act [FERPA]) and privilege but shall otherwise admit all matters into evidence which reasonable persons would accept as having probative value in the conduct of their affairs. Unduly repetitious or irrelevant evidence may be excluded.

R. In regards to appeals of Sexual Harassment/sexual misconduct and interpersonal misconduct including Dating Violence, Domestic Violence and Stalking, determinations resulting in either a dismissal of the charge or imposition of any sanction against the Respondent, both Complainants and Respondents may appeal determinations of Sexual Harassment/sexual misconduct and interpersonal misconduct charges under this Code. Appeals of Sexual Harassment/sexual misconduct and interpersonal misconduct determinations shall be appealable as provided for in this Section X.

XI. Exceptional Procedures

A. Violations of this Code that in ordinary circumstances may not result in a sanction of suspension or dismissal may nonetheless result in a sanction of suspension or dismissal if, in the view of the Senior Vice President for Student Affairs, suspension or dismissal is appropriate under all the facts and circumstances (e.g. intentional, malicious or aggravated violation, history of repeated Code violations, etc.).

B. The Senior Vice President for Student Affairs or a designee may suspend a Student for an interim period pending Student Conduct Code proceedings or medical evaluation; such interim suspension becomes immediately effective without prior notice
whenever there is reasonable suspicion that the continued presence of the Student on the University campus poses a substantial threat to the health, safety or well-being of members of the University community or to unreasonably interfere with the stability and continuance of normal University functions.

C. A Student suspended on an interim basis shall be given an opportunity to appear personally for an interim suspension hearing before the Senior Vice President for Student Affairs or a designee within three days from the effective date of the interim suspension to present his or her case to discontinue the interim suspension in accordance with Section XI(D) below.

D. An interim suspension hearing shall determine whether the interim suspension should continue through the hearing and determination on the merits of the Student Conduct Code charge(s) because the alleged misconduct and surrounding circumstances reasonably indicate that the continued presence of the Student on campus pending the hearing and determination of the Student Conduct Code charge(s) poses a substantial threat to the health, safety or well-being of members of the University community or unreasonably interferes with the stability and continuance of normal University functions.

E. If, at the interim suspension hearing referenced in Section XI(D) above, the Student’s continued presence is determined to pose a substantial threat to the health, safety or well-being of members of the University community or to unreasonably interfere with the stability and continuance of normal University functions, the Senior Vice President for Student Affairs or designee may continue the interim suspension through the conclusion of the proceedings on the alleged Student Conduct Code violation.

F. In cases alleging Sexual Harassment/sexual misconduct and interpersonal misconduct including Dating Violence, Domestic Violence and Stalking, the Senior Vice President for Student Affairs or a designee may take interim measures, including, but not limited to, academic, residential, transportation and/or employment accommodations, intended to ensure the well-being of the Complainant, the Respondent, the investigatory process and/or the University community while the complaint is being investigated and prior to the determination on the charge. Any such interim measures shall not be referred to or offered as evidence at the hearing on the underlying charge. Any such interim measures shall be designed and implemented in a manner intended to achieve their purpose while at the same time limiting, to the extent practicable, any adverse effect to the Complainant and/or Respondent’s educational program.

G. Final decisions of the Judicial Officer, Hearing Board or the Student Conduct Committee recommending a suspension or dismissal from the University shall be reviewed and approved by the Senior Vice President for Student Affairs. All other final decisions shall be reviewed and approved by the Dean of Students or designee. The reviewing officer may change, defer or suspend the decision and sanction, or impose conditions in connection with any change, deferral or suspension.

H. Unless otherwise determined by the Senior Vice President for Student Affairs or designee, the imposition of sanctions will be deferred during the appeal process.
I. A judicial hold may be placed on a Student’s file/account and a notation entered on the Student’s University transcript when the Student has been dismissed or suspended from the University or has officially or unofficially withdrawn, taken a leave of absence or been academically disqualified while Student Conduct Code proceedings are pending. In addition, when the Student has incomplete sanctions or open judicial cases and leaves the University for any reason, including, but not limited to, leave of absence, withdrawal or academic disqualification, a judicial hold will be placed on the Student’s file/account and the Student may also be prohibited from entering campus during the period of the judicial hold. This judicial hold must be cleared before a Student will be allowed to return to the University.

XII. Judicial Files and Records

A. Case referrals may result in the development of a judicial file in the name of the Respondent, which may be voided if the Respondent is found not responsible for the charges.

B. The files of Respondents found responsible for any of the charges against them will be retained as a judicial record for a minimum of seven years from the date of the letter providing notice of the final judicial action.

C. Judicial records may be voided and any records or notations related thereto purged by the Dean of Students for good cause, following consideration of a written petition of Respondent. Among the factors considered by the Dean of Students in review of such petitions shall be:

1. The nature of the charge.
2. The period of time that has elapsed since the violation.
3. The present demonstrated demeanor and contrition of the Respondent.
4. The demonstrated conduct of the Respondent subsequent to the violation.
5. The nature of the violation and the severity of any damage, injury or harm resulting from it.

Decisions on petitions under this subsection are at the discretion of the Dean of Students.

D. When Students sign a release offered by prospective employers, Study Abroad, University offices or graduate schools, this release often provides these parties access to student disciplinary records.
Honor Code and Process

Loyola Marymount University is a community dedicated to academic excellence, student-centered education, and the Jesuit and Marymount traditions. As such, the University expects all members of its community to act with honesty and integrity at all times, especially in their academic work. Academic honesty respects the intellectual and creative work of others, flows from dedication to and pride in performing one's own best work, and is essential if true learning is to take place.

Examples of academic dishonesty include, but are not limited to, the following: all acts of cheating on assignments or examinations, or facilitating other students’ cheating; plagiarism; fabrication of data, including the use of false citations; improper use of nonprint media; unauthorized access to computer accounts or files or other privileged information; and improper use of internet sites and resources.

Definitions of Academic Dishonesty

The following are examples of academic dishonesty which may be interpreted as intentional or unintentional. This list is not meant to be exhaustive. It is the student’s responsibility to make sure that his/her work meets the standards of academic honesty set forth in the Honor Code. If the student is unclear about how these definitions and standards apply to his/her work, it is the student’s responsibility to contact the instructor to clarify the ambiguity.

A. Cheating and Facilitating Cheating
   1. Possession, distribution, and/or use of unauthorized materials or technology before or during an examination or during the process of preparing a class assignment.
   2. Collaboration on class assignments, including in-class and take-home examinations, without the permission of the instructor.
   3. Provision of assistance to another student attempting to use unauthorized resources or collaboration on class assignments or examinations.

B. Plagiarism
   1. Presentation of someone else’s ideas or work, either in written form or non-print media, as one’s own.
   2. Omission or improper use of citations in written work.
   3. Omission or improper use of credits and attributions in non-print media.

C. Falsification of Data
   1. Presentation of altered or fabricated data, such as lab reports, with the intention of misleading the reader.
   2. Presentation of forged signatures as authentic.
   3. Use of false citations, either incorrect or fabricated, including sources found on the Internet.
D. Unauthorized Access to Computers or Privileged Information
   1. Use of University network and/or computer hardware to gain unauthorized access to files, and alteration or other use of those files.

E. Improper Use of Internet Sites and Resources
   1. Inappropriate use of an Internet source, including, but not limited to, submission of a paper, in part or in its entirety, purchased or otherwise obtained via the Internet, and failure to provide proper citation for sources found on the Internet.

F. Improper Use of Non-Print Media
   1. All above standards apply to non-print media.

G. Other Academic Dishonesty
   1. Any other means of violating the standards of academic honesty set out above.

**Honor Code Process**

This section sets out the process to be followed when an Instructor suspects a violation of the Honor Code. The recommended sanctions are not mandatory, but are intended to guide the Instructor’s discretion. Instructors are encouraged to consult with their colleagues and chairs in making these decisions. This section also outlines the student appeal process for Honor Code violations.

I. Intentional and Unintentional Academic Dishonesty

A. Notification: Instructors will notify the student of the suspected act of academic dishonesty. The student will be given the opportunity to admit, deny, or explain the situation. If the suspected violation of the Honor Code occurs with respect to an assignment that the Instructor has not reviewed until after the class has stopped meeting, the Instructor will send a letter to the permanent address of the student and keep a copy of the letter. Failure to notify will result in a reasonable extension of the student’s time to appeal, but is not in and of itself a defense to the violation of the Honor Code.

B. Determination: If the Instructor determines that a violation has occurred, he/she will next determine whether or not the violation was intentional or unintentional. The distinction between intentional and unintentional violations of academic honesty is not based upon the purely subjective intentions of the student. The question is whether a student who has carefully read the Honor Code should have understood that his/her action violated the Honor Code and standards of academic honesty.

C. Unintentional Violation: If the Instructor believes the violation was unintentional, he/she may take any of the following actions:
   1. Warn student
   2. Require assignment or exam to be resubmitted
3. Reduce the grade on the assignment, project, or exam

The Instructor shall inform the student of his/her decision and also inform the student of the right to appeal the Instructor's decision.

D. Intentional Violation: If the Instructor believes the violation is intentional, he/she may take any of the following actions:
   1. Fail the student on the assignment or exam
   2. Fail the student in the course

The Instructor shall inform the student of his/her decision in writing and also inform the student of the right to appeal the Instructor’s decision.

The Instructor may consult with the Chair, Program Director, or equivalent and refer the matter directly to the Dean of the Instructor’s college or school with a recommendation that the student be suspended or expelled. Upon such a referral, the Dean shall appoint an Academic Honesty Panel.

II. Departmental Appeal

A. The student may appeal the Instructor’s decision under Section I(C) or (D) to the Department Chair, Program Director, or equivalent. In accordance with the grade appeal policy in the University Bulletin, the student will be required to make his/her appeal in writing no later than three weeks into the semester following the decision.

B. If either the student or Instructor wishes, he/she may appeal the decision of the Department Chair, Program Director, or equivalent to the Dean of the Instructor’s college or school, who will refer the matter to the Academic Honesty Panel. Appeals must be made within 30 days of receipt of the chair’s decision.

III. Academic Honesty Panel Appeal

A. The Academic Honesty Panel is an ad hoc recommending body of the Instructor’s college/school. The Panel consists of two Faculty members for undergraduate students and three Faculty members for graduate students. The Dean will appoint one of the Faculty members as Chair of the Academic Honesty Panel.

B. Responsibilities of the Panel
   1. The Panel will hear appeals by the student or Instructor of the Chair’s decision for any penalty short of expulsion or suspension.
   2. The Panel will make the initial recommendation as to whether the student should be suspended or expelled.

C. In fulfilling these responsibilities, the Panel will make two determinations:
1. It will determine whether there is clear and convincing evidence that the student has violated the Honor Code. The student is entitled to the presumption of innocence and the right to review and respond to all evidence and information relevant to the Panel’s decision.

2. Upon the finding of clear and convincing evidence of a violation, the Panel is to determine the appropriate penalty. With regard to the appropriateness of serious recommendations such as suspension and expulsion, the Panel shall take into account the following factors:
   a. the severity of the violation;
   b. whether the violation is an isolated instance, or part of a pattern of two or more violations; and
   c. other mitigating or extenuating circumstances.

D. The recommendation of the Academic Honesty Panel, along with an explanation of the reason for the recommendation, will be reported in writing to the Dean of the Instructor's college or school. The Dean will normally follow the recommendation of the Panel. However, the Dean's decision is final.

E. The Dean will inform the student and Instructor, in writing, of his/her decision. The Dean will also report his/her decision to the Provost. The Office of the Provost will keep a permanent, confidential record of all proceedings of the Academic Honesty Panel.

Anti-Hazing Policy

I. Introduction
The University's Anti-Hazing Policy adheres to California state law (California Penal Code), sections of which are excerpted below; and is subject to change in order to maintain consistency with state law:

1. 245.6 (b) “Hazing” means any method of initiation or preinitiation into a student organization or student body, whether or not the organization or body is officially recognized by an educational institution, which is likely to cause serious bodily injury to any former, current or prospective Student of any school, community college, college, university or other educational institution in this state. The term “hazing” does not include customary athletic events or school-sanctioned events.

2. 245.6 (c) A violation of this section that does not result in serious bodily injury is a misdemeanor, punishable by a fine of not less than $100, nor more than $5,000, or imprisonment in the county jail for not more than one year, or both.

3. 245.6 (d) Any person who personally engages in hazing that results in death or serious bodily injury as defined in paragraph (4) of subdivision (f) of Section 243 of the Penal Code, is guilty of either a misdemeanor or a felony, and shall be punished by imprisonment in county jail not exceeding one year, or by imprisonment pursuant to subdivision (h) of Section 1170.

4. 245.6 (e) The person against whom the hazing is directed may commence a civil action for injury or damages. The action may be brought against any participants in the hazing, or any organization to which the student is seeking membership whose agents, directors, trustees, managers or officers authorized, requested, commanded, participated in or ratified the hazing.

II. Policy
All acts of hazing by a Student, group or organization and/or any of its members, alumni or other associated individuals are prohibited. It is a violation of California law and LMU policy for Students to engage in any activity that falls within the legal or this policy definition of hazing. As referenced above, hazing is a broad term encompassing actions or activities often associated with initiations or group associations which do not contribute to the positive development of a person; or which inflict or intend to cause mental, physical or emotional harm or anxieties; or which demean, degrade or disgrace any person regardless of location, intent or consent of participants.

In addition, hazing is often generally defined as any action or situation which endangers the mental, physical or emotional health of a Student for the purpose of initiation or full admission, or affiliation with any organization operating under the sanction of LMU. The University believes that any activity which promotes a class or caste system within organizations is inappropriate. Subservience in any form is unacceptable.
Subsequently, activities which facilitate inappropriate levels of authority over other students may be deemed as hazing and will not be allowed.

III. Enforcement

It is the responsibility of all Students to be knowledgeable of this policy. It is also the responsibility of all groups and organization officers and advisors to inform members, associates and alumni of this Anti-Hazing policy and to ensure that all groups and organizations adhere to this policy. Further, any student found to be involved in any hazing activity will face disciplinary action and is subjected to a maximum sanction of dismissal from the University. In addition, any organization found to be involved in any hazing activity, will face disciplinary action and the University may withdraw its official registration. Students and their groups and organizations are also subject to criminal and civil action as it relates to California law.

Faculty/Staff-Student Dating Policy

I. Introduction
As a University dedicated to fostering the dignity of each person, Loyola Marymount University strives to encourage learning and promote justice. The University seeks to create an environment that is free of exploitation and unlawful harassment or discrimination that undermines the integrity of the institution.

II. Policy
Loyola Marymount University prohibits consensual relationships of a dating, intimate and/or sexual nature between faculty or staff and any Student with whom the faculty or staff member is in a direct/power relationship. Furthermore, the University strongly discourages these consensual relationships even when no power relationship exists. This policy is rooted in the recognition that faculty– or staff–Student relationships may be inherently unequal and contain an element of superiority or power. Consensual relationships between faculty or staff and Students may give rise to the perception by others that there is favoritism or bias in educational decisions affecting Students. These perceptions undermine the spirit of trust and mutual respect that is important to the University environment. This policy further strives to provide an environment that is free from Sexual Harassment.

III. Definitions Related To Policy

Consensual Relationship—Dating and/or sexual relationships willingly undertaken by the parties.

Direct/Power Relationship—Faculty– or staff–Student relationships in which the faculty or staff member is in a position of actual or apparent authority in activities including without limitation, teaching, advising, mentoring, supervising, directing, evaluating, and/or conducting research with the Student.

Faculty—An employee of the University who has instructional, advisory, evaluative, supervisory, and/or other professional responsibilities. The category of Faculty includes: Full-Time, Instructor, Assistant Professor, Associate Professor, Professor, Emeritus Faculty, Visiting Professor, Part-Time, Lecturer, Adjunct Professor, Clinical Professor, Clinical Supervisor, Teaching Assistant, or Administrative Faculty.

Staff—An employee of the University other than Faculty.

Student—An individual enrolled, or eligible to continue, in any full-time or part-time undergraduate or graduate program of Loyola Marymount University. The Faculty/Staff-Student Dating Policy does not alter, but is in addition to all federal and state laws regulating interpersonal conduct.
Fraternity and Sorority Policy

I. Introduction

A. Loyola Marymount University believes that with appropriate regulation and guidance social Greek-lettered organizations have the potential to make significant contributions to the quality of student life. Accordingly, LMU has developed criteria for the recognition of these organizations. The relationship between these recognized organizations and the University is based on trust, collaboration, cooperation and the resulting mutual benefits to the University and the Greek community.

B. Greek organizations can enhance participation in the cultural, academic, social and spiritual life of LMU. VI. Expansion Philosophy
A. As a private institution, Loyola Marymount University chooses to intentionally and carefully manage the growth and expansion of Greek organizations. LMU seeks organizations that promote ideals consistent with those of the University to educate and develop mature and responsible community members and that are willing to commit the human and financial resources necessary to assure achievement of those ideals. The University’s overall objective is to select organizations that will positively contribute to the overall undergraduate experience and enhance the campus community.

B. The process to recognize additional fraternities and sororities at LMU will always be initiated and conducted by Student Leadership and Development. Student Leadership & Development’s determination of readiness for expansion will be based on size and viability of the current Greek community, the availability of campus resources and personnel to support additional chapters, and the interest of unaffiliated students at LMU, in addition to interest from any national organizations.

VII. Expansion Process
In accordance with the Expansion Philosophy, when Student Leadership & Development determines that the campus can effectively support Greek organization expansion, the process outlined below will be followed.

A. Appropriate organizations with official letters of interest on file with Student
Leadership & Development will be notified that LMU is open for expansion. Additional organizations will be informed if needed.

B. Interested organizations will be invited to submit proposals.

C. All organizations submitting proposals that meet the criteria for recognition will be reviewed by an expansion committee established by Student Leadership & Development.

D. One or more prospective organizations may be selected to participate in a presentation process on campus.

E. Following the presentation process, the LMU Greek Council, the expansion committee and the NPC, NIC, NPHC, NALFO or NAPA chapters when appropriate, will submit their recommendations and/or endorsements to the Senior Vice President for Student Affairs.

F. An invitation for recognition may be granted at the discretion of the Senior Vice President for Student Affairs.

G. Unrecognized Greek Organizations are prohibited from operating at LMU without having successfully completed the University expansion process resulting in an invitation to be recognized at LMU.

H. A chapter will be designated as provisional when their membership total falls below five members who attend the University. There is a four semester grace period during which the chapter may be on a provisional status. After the fourth semester, the organization may petition for an additional semester to increase membership to the minimum. Once the provisional status period has elapsed, if the chapter has not met the minimum membership size, the chapter will be considered closed.

VIII. Recognition Criteria

In addition to the potential organization’s willingness to adhere to the expectations listed in the Responsibility section, prior to beginning the presentation and approval process each Greek organization must provide evidence of the following:

A. A proper tax-identification number under the Internal Revenue Code as a not-for-profit, social fraternity or sorority. Organizations that have this IRS designation are legally entitled to single sex membership based on Section 86.14 of the regulations announced under Title IX of the U.S. Education Act Amendments of 1972.

Sanctions for organizational misconduct found through the judicial process may include revocation or denial of registration, as well as other appropriate sanctions, pursuant to Section V of the Student Conduct Code.
Introduction
This policy is in place to provide for student expression and dissent in an equitable and safe manner. All persons, organizations or groups are encouraged to consult this policy before engaging in any form of organized dissent.

Freedom of Expression
As an academic community, the University is dedicated to the advancement of knowledge. Therefore, persons, organizations or groups have the freedom to present various points of view without physical restriction, disruption or intimidation by others. Such inappropriate behaviors are contrary to the University's mission and will not be tolerated.

Dissent
Dissent, defined as disagreement or a difference of opinion, is integral to the purpose of higher education. A university must be an optimal learning environment and all members of the LMU community have a responsibility to maintain an atmosphere of free inquiry and expression that is orderly, safe and regulated within necessary restrictions of time, location and method.

Coercive Disruption
The difference between legitimate dissent and coercive disruption can be difficult to define. Coercive disruption is generally regarded as Group A imposing its opinion upon Group B without Group B’s consent, regardless of either group’s perceptions of the amount of power or influence their opposition possesses. Thus, a group perceived as “powerless” is not necessarily innocent of coercive disruption if its forms of expression are disruptive, unethical, unlawful or otherwise extreme.

Furthermore, any gathering of people that performs a disruptive act in a violent or boisterous manner is acting contrary to University policy. More specifically, coercive disruption includes any activities that:

• Deny or infringe upon the rights of Students, faculty or staff of the University community.
• Disrupt or interfere with educational or other activities of the University community.
• React to the peaceful dissent of others by attempting to deny their rights.
• Obstruct or restrict free movement of persons on any part of the campus.
• Deny the use of offices or other facilities to Students, faculty, Public Safety officers, staff, administrators or guests of the LMU community.
• Endanger the safety of any person on the campus.
• Result in the destruction of property.
Events sponsored by Student Organizations and University Programs

Lecturers and Other Public Speakers

The University is dedicated to providing an academic environment that encourages students to seek truth, develop critical thinking and make responsible decisions that influence their lives and the greater community in which they live. To this end, student organizations are encouraged to invite lecturers from outside the University community.

It must be clearly understood that student organization or University program sponsorship of guest speakers does not imply University approval or endorsement of the views presented.

These guidelines do not apply to faculty members who, under the principles of academic freedom, have the right to invite lecturers to their classrooms.

Approval Process

Registered student organizations and University programs must seek approval for any lectures or programs through the Activity Planner and Event Proposal Process coordinated through Student Leadership & Development. Review of the event will include, but is not limited to, the content of the program, impact on human and/or financial resources, ability to maintain orderly operation of campus activities and the physical safety of the campus population, Final authorization for a speaker may be required from the Senior Vice President for Student Affairs.

The Guiding Principles for Student Programming will be used to determine the congruence of each requested event with the university mission and Catholic teachings. In some cases the event may not be approved or the format of the event may need to be modified to create a balanced educational opportunity for the campus community.

All applicable policies governing student events, safety, ticket sales, amplification and catering must be observed while planning and implementing the event.
Loyola Marymount University expects students to abide by federal and state laws prohibiting illegal gambling. Such prohibited activity includes, but is not limited to:

A. Betting on, wagering on or selling pools on any athletic event;

B. Possessing on one’s person or premises (e.g. room, residence, car) any card, book or other device for registering bets;

C. Knowingly permitting use of one’s premises or one’s telephone or other electronic communications devices for illegal gambling;

D. Knowingly receiving or delivering a letter, package, or parcel related to illegal gambling;

E. Offering or accepting a bribe to influence the outcome of an athletic event;

F. Involvement in bookmaking or wagering pools with respect to sporting events.

Students involved in illegal gambling, particularly bookmaking, risk suspension or dismissal from the University.
Good Samaritan and Self-Reporting Policy

The welfare of Students is of the highest importance to Loyola Marymount University. Students who are intoxicated at a level requiring medical attention, or the friends of such Students, should always seek appropriate assistance from Public Safety, Residential Life Staff, EMT’s, the Student Health Center or other local emergency services. The purpose of this policy is to promote safety and to encourage Students and third parties to promptly notify the appropriate staff or local emergency services in the event of such need. By this policy, LMU seeks to encourage and minimize any hesitation a Student may have to obtain help for himself, herself, a fellow Student, friend or any individual in need.

In situations where a Student self-reports a high level of intoxication and requests medical assistance, Loyola Marymount University will support this self-reporting behavior by mitigating the resulting disciplinary actions. The Student will be referred to an educational or developmental program in an effort to learn and grow from the situation; and, educational Student Conduct Code sanctions may be reduced or not imposed.

Assisting students who report sexual misconduct or interpersonal misconduct is of paramount importance to the University. In order to facilitate reporting, the University may choose not to charge students who report sexual misconduct or interpersonal misconduct or any material witnesses thereto with Student Conduct Code violations for certain behavior that otherwise would be considered violations (e.g., underage consumption of alcohol and/or use of marijuana or other illegal drugs).

While the University reserves the right to refuse a grant of amnesty to reporters under certain extenuating circumstances, Student(s) requesting assistance on behalf of an intoxicated Student or Student(s) reporting sexual misconduct or interpersonal misconduct will generally be granted amnesty for being a Good Samaritan. This policy only applies to alcohol and other drug violations and does not excuse behaviors which go beyond alcohol and other drug intoxication (these may include, but are not limited to, disorderly conduct, failure to cooperate, physical assault, Sexual Assault, sexual violence, vandalism, property damage, etc.). Criminal investigations and other police action may still occur at the discretion of the law enforcement agency responding to the incident.
Guest Policy

Students are responsible and may be held accountable for the conduct of their Guests and consensual visitors. The University reserves the right to ban any non-LMU student from returning to the campus or attending any University event.

Additionally, Students are responsible for any activity of their consented visitors that occurs in their University residence whether or not they are present at the time of the subject activity.
Missing Resident Student Procedures

While many missing resident student reports at universities are the result of a student changing their normal routine and neglecting to inform their roommates, friends, and/or family of their whereabouts, Loyola Marymount University takes reports of missing resident students seriously. The University handles missing resident student reports pursuant to the following procedures.

The University defines a missing resident student as any currently enrolled resident student who has not been in contact with roommates, friends, family, faculty or staff for a reasonable period of time (usually a period of twenty-four [24] hours) and whose whereabouts have been questioned and brought to the attention of a University official.

Any member of the University community who has reason to believe a student residing in on-campus housing has been missing for 24 hours should immediately contact the Department of Public Safety at (310) 338-2893.

In addition to registering a general emergency contact, students residing in on-campus housing have the option to identify confidentially one or more individuals to be contacted by the University in the event the student has been determined to be missing for 24-hours, or is otherwise determined to be missing (“Confidential Contact”). A student who wishes to designate a Confidential Contact may do so at the same time he/she provides general emergency contact information or by contacting Student Housing. The Confidential Contact will remain until revoked or changed by the student. The Confidential Contact information will be kept confidential and will be accessible only to authorized University officials and law enforcement in furtherance of a missing person investigation.

When the Department of Public Safety receives a missing student report, it will promptly initiate an investigation and notify the Dean of Students Office of the investigation. If a student has designated a Confidential Contact(s), the Dean of Students Office will notify the Confidential Contact(s) within 24 hours of the determination that the student is missing. In the event that the missing resident student is a minor (under the age of 18 years) and is not emancipated, the parent or legal guardian, if different than the designated Confidential Contact, will also be notified within 24 hours of the determination that the student is missing. The Department of Public Safety will notify the appropriate law enforcement agencies within 24 hours of the determination that the student is missing.
I. Introduction
In an effort to provide greater support and guidance, Off-Campus Student Life offers online orientation to off-campus living. The online orientation highlights student rights and responsibilities and reiterates some of the University’s expectations of students living off campus.

Since many LMU Students live off campus in the neighborhoods surrounding or near the campus, the University is interested in and has a need for collecting accurate current local address information for these students. This information will, among other things, help with University planning, maintaining campus and University community safety and security, emergency communication and aid the University in effectively communicating with students.

Student sponsored events on campus or in conjunction with the University may only be sponsored by registered student organizations and University programs. Undergraduate students at Loyola Marymount University must maintain a minimum cumulative GPA of 2.5 or higher and graduate students minimum cumulative GPA 3.0 or higher and deemed by Judicial Affairs to be in good behavioral standing in order to be eligible to serve in a leadership position in a registered student organization or University program. Individual organizations may impose a higher standard.
Student organizations and University programs that have and follow an established student leader academic improvement program approved by Student Leadership & Development, may be given deference to handle leadership GPA eligibility issues within their organization or program.
Tailgate Policy

The Senior Vice President for Student Affairs may approve tailgate events to be held in a designated area immediately preceding any home NCAA Men’s Basketball game. Students, faculty, staff and guests who are age 21 and older may responsibly consume alcoholic beverages in the designated area only during the hours set for the event. This policy does not supersede Federal, State and City laws and regulations governing sale, consumption and dispensing of alcoholic beverages. Exceptions to this policy must be approved by the Senior Vice President for Student Affairs.
University Policy On Confidentiality

Violence-Free Campus Policy

Introduction
Loyola Marymount University is committed to maintaining a safe and secure campus environment so that Students, faculty, staff and visitors are able to pursue their education, work and other activities in a safe, non-threatening environment.

Policy Statement
Violence, threats or implied threats of violence, and intimidation (including verbal, written, electronic or physical acts intended to frighten or coerce) impede the goal of providing a safe environment. All Students, faculty, staff and visitors are covered by this policy as well as any other policies contained in the LMU Community Standards booklet. This policy applies to conduct on campus but includes off-campus conduct which adversely affects the University.

The University has adopted procedures for responding to and addressing conduct that violates this policy and urges LMU community members to be alert to the possibility of violence on campus. As responsible members of the University community, Students, faculty, staff and visitors are encouraged to report violence, threats of violence or intimidation that they experience or witness on campus.

Reporting
LMU community members should report campus emergencies and issues of concern to the Department of Public Safety (DPS) at (310) 338-2894 or x222 (for internal University phones). In addition, the Department of Public Safety maintains an anonymous website for reporting suspicious behavior at http://lmu.edu/hottips and e-mail address: hottips@lmu.edu.

Threat Assessment
Once information is received by the University concerning violence, threats of violence or intimidation to any member of the campus community, the University will conduct a threat assessment to determine if an immediate or imminent threat to the campus or any member of the campus community exists. All threat assessments are conducted by the Department of Public Safety pursuant to its threat assessment protocols. DPS may collaborate with other University entities to help determine the credibility and extent of the threat and whether any further notifications or referrals should be made. When appropriate, DPS may collaborate with local law enforcement entities upon the finding of possible criminal violations. DPS may also determine that no immediate threat exists and may refer student incidents to the Department of Judicial Affairs.

Non-Retaliation and False Claims
The University prohibits retaliation against any person who in good faith reports
violations of this policy or cooperates in an investigation. The University also prohibits
the filing of knowingly false or misleading reports and providing knowingly false or
misleading information in an investigation. Disciplinary or other action may result from
either of these acts in violation of this policy.

**Enforcement**

The University may pursue disciplinary, civil or criminal action as appropriate against
any person who violates this policy by engaging in such violence, threats of violence or
intimidation.

**Confidentiality**

Confidentiality of complaints and parties will be preserved to the greatest extent
possible, understanding that the University may have an obligation to take some action
even if the complainant is reluctant to proceed.
Student-on-Student Sexual & Interpersonal Misconduct Policy and Protocol

I. Introduction

LMU recognizes the significant, unacceptable and nationwide existence of sexual and interpersonal misconduct on college campuses. LMU is dedicated to the prevention of such misconduct and to providing a caring, supportive and effective response when such misconduct occurs. Accordingly, LMU encourages students and University community members to report such misconduct so that the University can take appropriate responsive action.

Title IX of the Education Amendments of 1972 ("Title IX") is a federal civil rights law that prohibits discrimination on the basis of sex in education programs and activities. Under Title IX, discrimination on the basis of sex can include student-on-student Sexual Harassment or sexual misconduct including sexual violence, rape, Sexual Assault, sexual battery, sexual coercion, Sexual Exploitation and unwelcome intrusion into another's sexual seclusion or privacy, as well as interpersonal misconduct including Dating Violence, Domestic Violence and Stalking. The Division of Student Affairs has established this Student-on-Student Sexual & Interpersonal Misconduct Policy & Protocol to assist and respond to complaints of student-on-student sexual misconduct and interpersonal misconduct.

Students should report all forms of Sexual Harassment, sexual misconduct (student-on-student; student and non-student; faculty/staff-on-student) and interpersonal misconduct by filing a report with the LMU Department of Public Safety, (310) 338-2893/222 emergency line on campus).

In addition, a Judicial Affairs/Student Conduct Code case for alleged student-on-student Sexual Harassment, sexual misconduct or interpersonal misconduct will be initiated and adjudicated.

Sexual Harassment, sexual misconduct, or interpersonal misconduct involving a Student and any non-student in the University community is handled under the LMU Discriminatory Harassment and Complaint Process. Further information about the LMU Discriminatory Harassment and Complaint Process including the making and processing of complaints thereunder may be found at http://www.lmu.edu/Assets/Student+Affairs+Division/Judicial+Affairs/Discriminatory+Harassment+and+Complaint+Process.pdf.

All persons, including University faculty and staff, are prohibited from taking any retaliatory action against any other member of the University community including, but not limited to, the Complainant, Respondent or witnesses to an alleged incident of Sexual Harassment, sexual misconduct or interpersonal misconduct. Any student
engaging in any retaliatory action(s) will be subject to discipline under the Student Conduct Code and appropriate sanctions for determined violations may include dismissal from the University. Retaliation by non-students will be adjudicated and determined in accordance with the LMU Discriminatory Harassment and Complaint Process. Any Student who believes that they have been retaliated against for having filed, or being named in, a complaint for Sexual Harassment, sexual misconduct or interpersonal misconduct or having participated in the investigation of such a complaint, should promptly notify the Department of Public Safety at (310) 338-2893 (x82893 from campus phone). Any person who believes that they have been retaliated against by a staff member should notify Human Resources at (310) 338-5118. Any person who believes that they have been retaliated against for the above mentioned reasons by a faculty member on behalf of the University should notify Academic Affairs at (310) 338-2733.

For additional information on sexual and interpersonal misconduct awareness, prevention and training, including bystander intervention, programming and events on campus intended to bring awareness to these issues and opportunities for you to get involved, please visit the LMU CARES office online: http://studentaffairs.lmu.edu/healthwellness/cares/, or contact Briana Maturi, Special Assistant to the Senior Vice President for Student Affairs, (310) 338-2885.

II. Policy
A. Under Title IX, Sexual Harassment is broadly defined as unwelcome conduct of a sexual nature. It includes unwelcome sexual advances, requests for sexual favors and other verbal, nonverbal or physical conduct of a sexual nature including sexual violence. This policy applies to all students, regardless of sexual orientation or gender identity. Under this policy, sexual misconduct includes all forms of Sexual Harassment under Title IX including sexual violence, such as rape, sexual assault, sexual battery and sexual coercion. Interpersonal misconduct includes Dating Violence, Domestic Violence and Stalking. All forms of sexual misconduct and interpersonal misconduct are unacceptable and will not be tolerated. Any student alleged to have participated in sexual misconduct or interpersonal misconduct will be referred to Judicial Affairs and, if found responsible, will be subject to disciplinary action. Complainants of sexual misconduct and interpersonal misconduct are not required to be members of the LMU community; they may be third parties, or others unaffiliated with the University. Outcomes related to sexual and interpersonal misconduct cases run the full spectrum as outlined in Section V of the Student Conduct Code, and include disciplinary warning through suspension or dismissal from the University.

B. All alleged incidents of student-on-student sexual misconduct and interpersonal misconduct will be adjudicated in accordance with the Student Conduct Code utilizing the preponderance of the evidence standard. Student Conduct Code proceedings shall be prompt, fair and impartial and adjudicated by officials that have received regular training regarding incidents of this nature.
C. In cases alleging Sexual Harassment/sexual misconduct and interpersonal misconduct including Dating Violence, Domestic Violence and Stalking, the Senior Vice President for Student Affairs or a designee may take interim measures, including, but not limited to, academic, residential, transportation and/or employment accommodations, intended to ensure the well-being of the Complainant, the Respondent, the investigatory process and/or the University community while the complaint is being investigated and prior to the determination on the charge. Any such interim measures shall not be referred to or offered as evidence at the hearing on the underlying charge. Any such interim measures shall be designed and implemented in a manner intended to achieve their purpose while at the same time limiting, to the extent practicable, any adverse effect to the Complainant’s and/or Respondent’s educational program.

D. No Contact Orders (NCO) will also be utilized by the Department of Public Safety both during the investigation and through the completion of the disciplinary process. Both parties will be expected to sign a document stating their awareness of the NCO and the stipulations of no contact.

E. In line with the Good Samaritan Policy found in this Community Standards Booklet, violations of the Student Conduct Code regarding underage or excessive consumption of alcohol or use or possession of illegal substances will not be utilized to commence disciplinary proceedings against a Complainant if the information is divulged through the process of reporting sexual misconduct or interpersonal misconduct. The University does reserve the right to refuse to grant amnesty to reporters under certain extenuating circumstances. Criminal investigations and other police action may still occur at the discretion of the law enforcement agency responding to the incident.

F. Student Conduct Code proceedings respecting alleged incidents of sexual misconduct and interpersonal misconduct will in the first instance be adjudicated by a panel of not less than two staff Judicial Officers. These Judicial Officers will be regularly trained in the adjudication of these types of incidents and will schedule individual meetings with both parties and witnesses regarding the alleged violation. Students will not be permitted to cross-examine each other or witnesses through the Student Conduct Code process.

All Judicial Officers receive training regarding the adjudication of sexual and interpersonal misconduct. For information regarding what training is conducted please visit the LMU CARES office online: http://studentaffairs.lmu.edu/healthwellness/cares/, or contact Briana Maturi, Special Assistant to the Senior Vice President for Student Affairs, (310) 338-2885.

G. Prior sexual history of Complainant or Respondent with people outside of each other will not be utilized as evidence in these disciplinary proceedings.

H. Once a Student Conduct Code determination of the charges has been made, a determination notification letter will be concurrently sent to Complainant and Respondent.

III. Definitions

A. For purposes of this policy, Sexual Assault is defined as engaging in sexual
intercourse, or any of the sexual activities listed below, with another person without that person’s consent. Sexual Assault includes, but is not limited to, rape, sexual battery, anal intercourse, oral copulation or penetration of a body cavity by a foreign object. Sexual intercourse includes the penetration, however slight, of the vagina or anus with any object or body part and of the mouth with a body part and/or object in a sexual manner.

B. For purposes of this policy, Sexual Harassment is defined as unwelcome conduct of a sexual nature including, without limitation, unwelcome sexual advances, requests for sexual favors, intrusion into another’s sexual seclusion or privacy and other unwelcome verbal, nonverbal, auditory, visual, recording, transmission or display of sexual matters or materials or physical conduct of a sexual nature. A sexually hostile environment exists when Sexual Harassment is so continuous and pervasive that it interferes with or limits a student’s ability to participate in, or benefit from, the University’s educational program.

Sexual Harassment also includes the act of making sexual contact with the intimate body part of another person without that person’s consent, including as the result of sexual coercion. Intimate body parts include the mouth, the sex organs, the anus, the groin or buttocks of any person, and/or the breasts.

For purposes of this policy, Sexual Harassment includes, but is not limited to, invasion of sexual privacy, audio or video recording or photographing of any type (webcam, camera, Internet exposure, etc.) without knowledge and consent of all persons, going beyond the boundaries of consent (such as letting another person hide and watch you have consensual sex without the knowledge of the other party), engaging in unconsented voyeurism, exposing one’s genitals or breasts in non-consensual circumstances, coercing another against their will to expose their genitals or breasts and prostituting another person.

C. For purposes of this policy, Sexual Exploitation is defined as sexual misconduct that occurs when a person takes unjust or abusive sexual advantage of another for his or her benefit or for the benefit of anyone other than the exploited party; and that behavior does not otherwise constitute sexual assault. Examples of Sexual Exploitation include, but are not limited to, invasion of sexual privacy, videotaping or photographing of any type (webcam, camera, Internet exposure, etc.) without knowledge and consent of all persons; going beyond the boundaries of consent (such as letting another person hide and watch you have consensual sex without the knowledge of the other party), engaging in voyeurism, exposing one’s genitals in non-consensual circumstances; coercing another to expose their genitals, prostituting another person.

D. Consent is defined as the unambiguous and willing participation or cooperation in act, behavior or attitude that is commonly understood to be consistent with the exercise of free will. Consent requires participants who are lawful adults, fully conscious, equally free and legally competent to act, have clearly communicated their willingness, cooperation or permission to participate in the specific sexual activity engaged in, are positive and clear about their desires and are able to cease ongoing consensual activity at any time. Refusal to consent does not have to be verbal; it can be expressed with
clear gestures, body language or attitude. Prior sexual history between the Complainant and Respondent, by itself, does not constitute Consent, nor does consenting to sexual activity with one person imply consent to sexual activity with another person.

1. Consent is not freely given if:
   a. It is obtained through the use of force, through the fear of or the threat of force, through the abuse of a power position over another (such as employment status or position within an organization) or by kidnap; or
   b. A reasonable person, in the position of the alleged perpetrator at the time the alleged conduct occurred, should have known that the other person was unable to give consent for any of the following reasons:
      1. The individual is unable to make an informed decision as a result of the use of alcohol, drugs or other substances (including but not limited to predatory drugs or prescribed medications); or
      2. The individual is unable to consciously respond for whatever reason including lack of consciousness, sleep, illness or shock; or
      3. The individual is under the age of eighteen and therefore legally incapable of giving consent; or
      4. The individual is known by reason of impairment, mental condition or developmental or physical disability to be reasonably unable to consent.
   c. The individual has acted or spoken in a manner which expresses a lack of consent or a refusal to consent.

E. In accordance with the reauthorization of the Violence Against Women Act, Domestic Violence is defined as a felony or misdemeanor crime of violence committed by a current or former spouse or intimate partner of the victim, by a person with whom the victim shares a child in common, by a person who is cohabitating with or has cohabited with the victim as a spouse or intimate partner, by a person similarly situated to a spouse of the victim under California law or by any other person against an adult or youth victim who is protected from that person's acts under California law.

F. For purposes of this policy and in accordance with the reauthorization of the Violence Against Women Act, Dating Violence is defined as violence committed by a person:
   1. Who is or has been in a social relationship of a romantic or intimate nature with the victim; and
   2. Where the existence of such a relationship shall be determined by the victim with consideration of the following factors:
      a. The length of the relationship.
      b. The type of the relationship.
      c. The frequency of interaction between the persons involved in the relationship.
   3. The existence of a social relationship is based on the “Complainant’s statement” with consideration of the length of the relationship, the type of relationship and the frequency of interaction between the persons involved. Dating Violence does not
include acts covered by the definition of Domestic Violence.

Dating Violence includes sexual or physical abuse or the threat of such abuse.

G. For purposes of this policy and in accordance with the reauthorization of the Violence Against Women Act *Stalking* means engaging in a course of conduct directed at a specific person(s) that would cause a reasonable person under similar circumstances and with similar identities to the Complainant to fear for his or her safety or the safety of others; or suffer substantial emotional distress.

H. “Complainant” means the individual(s) who file(s) a Student Conduct Code complaint with the University. In some instances the University may serve as a Complainant.

I. “Hostile Environment” is defined as any situation in which there is harassing conduct that is sufficiently severe, pervasive and objectively offensive that it limits, interferes with or denies educational benefits or opportunities, from both a subjective (the Complainant's) and an objective (reasonable person's) viewpoint.

J. “Respondent” means the individual(s) against whom a Student Conduct Code complaint is made.

K. “Retaliation” means any adverse non-permitted action taken in response to an action or injury by another party towards the actor or by the actor on account of actions toward a third party.

**IV. California Law**

The following excerpts are only partially explanatory of certain California laws pertaining to criminal sexual misconduct and interpersonal misconduct. These excerpts are not intended to be an exhaustive description or list of California laws pertaining to sexual misconduct, inappropriate or criminal sexual behavior or interpersonal misconduct.

A. Excerpts from Sections 11165.1, 261 and 289 of the California Penal Code:

Sexual Assault includes rape, statutory rape, rape in concert, incest, sodomy, oral copulation and penetration, however slight, of the genital or anal opening by any foreign object, substance, instrument, or device, or by any unknown object.

Rape is an act of sexual intercourse accomplished with a person not the spouse of the perpetrator under any of the following circumstances:

1. Where a person is incapable, because of a mental disorder or developmental or physical disability, of giving legal consent and this is known or reasonably should be known to the person committing the act

2. Where it is accomplished against a person's will by means of force, violence, duress, menace or fear of immediate and unlawful bodily injury on the person or another
3. Where a person is prevented from resisting by any intoxicating or anesthetic substance, or any controlled substance, and this condition was known, or reasonably should have been known, by the accused

4. Where a person is at the time unconscious of the nature of the act, and this is known to the accused

As used in this paragraph, “unconscious of the nature of the act” means incapable of resisting because the victim meets one of the following conditions:

(A) Was unconscious or asleep.

(B) Was not aware, knowing, perceiving or cognizant that the act occurred.

(C) Was not aware, knowing, perceiving or cognizant of the essential characteristics of the act due to the perpetrator’s fraud in fact.

(D) Was not aware, knowing, perceiving or cognizant of the essential characteristics of the act due to the perpetrator’s fraudulent representation that the sexual penetration served a professional purpose when it served no professional purpose.

5. Where a person submits under the belief that the person committing the act is someone known to the victim other than the accused, and this belief is induced by any artifice, pretense or concealment practiced by the accused, with the intent to induce the belief.

6. Where the act is accomplished against the victim’s will by threatening to retaliate in the future against the victim or any other person, and there is a reasonable possibility that the perpetrator will execute the threat. As used in this paragraph, “threatening to retaliate,” means a threat to kidnap or falsely imprison, or to inflict extreme pain, serious bodily injury or death.

California law also states that “The essential guilt of rape consists in the outrage to the person and feelings of the victim of the rape. Any sexual penetration, however slight, is sufficient to complete the crime” (Penal Code section 263). California law further defines both marital rape (Penal Code section 262) and “statutory rape” (Penal Code section 261.5).

Though laws vary from state to state, intercourse in which consent was not obtained or was obtained under coercive conditions will usually be considered rape.

B. Excerpts from Section 261.6 and 261.7 of the California Penal Code:

In prosecutions under Section 261, 262, 286, 288a, or 289, in which Consent is at issue, “Consent” shall be defined to mean positive cooperation in act or attitude pursuant to an exercise of free will. The person must act freely and voluntarily and have knowledge of the nature of the act or transaction involved.

A current or previous dating or marital relationship shall not be sufficient to constitute Consent where consent is at issue in a prosecution under Section 261, 262, 286, 288a, or 289.

Nothing in this section shall affect the admissibility of evidence or the burden of proof.
on the issue of Consent. In prosecutions under Section 261, 262, 286, 288a, or 289, in which Consent is at issue, evidence that the victim suggested, requested or otherwise communicated to the defendant that the defendant use a condom or other birth control device, without additional evidence of Consent, is not sufficient to constitute Consent.

C. Excerpts from Section 646.9 of the California Penal Code:

Any person who willfully, maliciously and repeatedly follows or willfully and maliciously harasses another person and who makes a credible threat with the intent to place that person in reasonable fear for his or her safety, or the safety of his or her immediate family is guilty of the crime of Stalking, punishable by:

1. Imprisonment in a county jail for not more than one year, or
2. A fine of not more than $1,000, or
3. by both that fine and imprisonment, or by imprisonment in the state prison.

For the purposes of this section, “harasses” means engages in a knowing and willful course of conduct directed at a specific person that seriously alarms, annoys, torments or terrorizes the person, and that serves no legitimate purpose.

D. Excerpts from Section 13700 of the California Penal Code and 6211 of the California Family Code:

“Domestic Violence” means abuse committed against an adult or a minor who is a spouse, former spouse, cohabitant, former cohabitant, person with whom the suspect has had a child or is having, has had a dating or engagement relationship, a child of a party or a child who is the subject of an action under the Uniform Parentage Act or any other person related by consanguinity or affinity within the second degree.

For the purposes of this subdivision, “cohabitant” means two unrelated adult persons living together for a substantial period of time, resulting in permanency of relationship. Factors that may determine whether persons are cohabiting include, but are not limited to:

1. Sexual relations between the parties while sharing the same living quarters.
2. Sharing of income or expenses.
3. Joint use or ownership of property.
4. Whether the parties hold themselves out as husband and wife.
5. The continuity of the relationship.
6. The length of the relationship.

V. Complainant/Respondent

A. Complainants and Respondents in a sexual misconduct or interpersonal misconduct case have the right to:

1. An appointed Advisor who will assist them through the student judicial process.
2. Make a complaint to the Department of Public Safety.
3. File a police report and take legal action separate from and/or in addition to filing a Student Conduct Code complaint seeking disciplinary action.
4. Be informed of the disciplinary finding (responsible or not responsible) in writing.
5. Present material witnesses to the alleged incident.
6. Refuse any/all of the above.

VI. Title IX
A. Under Title IX, LMU has a responsibility to respond promptly and equitably to address Sexual Harassment, sexual violence and interpersonal misconduct. If LMU knows or reasonably should know about Sexual Harassment, sexual violence or interpersonal misconduct that creates a hostile environment, LMU must take action to eliminate the Sexual Harassment, sexual violence or relationship misconduct, prevent its recurrence and address its effects.

LMU encourages prompt reporting of crime to Public Safety and/or law enforcement. Even if a Student elects not to file a Student Conduct Code complaint, does not request that LMU take any action on the Student’s behalf or is unable to make a report to LMU and/or law enforcement, if LMU knows or reasonably should know about possible Sexual Harassment, sexual violence or interpersonal misconduct, LMU must promptly investigate to determine what occurred and then take appropriate steps to resolve the situation. In appropriate circumstances, LMU may report crimes to law enforcement when a victim decides not to report or cannot report the crime.

A criminal investigation into allegations of Sexual Harassment or sexual violence does not relieve LMU of its duty under Title IX to resolve complaints promptly and equitably.

LMU has a Title IX Coordinator, Sara Trivedi, EEO Officer in the Human Resources Department, who can be reached at (310) 568-6105 or strivedi@lmu.edu.

B. How do I file a complaint with the U.S. Department of Education, Office for Civil Rights?

If you believe that Loyola Marymount University does not respond appropriately to your allegations of Sexual Assault, harassment, or misconduct after you have filed a report with Public Safety, Residence Life or gone through the judicial process, you have the option to file a complaint with the Office of Civil Rights.

1. You may file a complaint in person, online or by mail
   b. Online: via e-mail: education@usdoj.gov
   c. By mail: write letter to: U.S. Department of Justice Civil Rights Division, 950 Pennsylvania Avenue, N.W., Educational Opportunities Section, PHB, Washington, D.C. 20530.
2. For more information about filing a complaint please visit: https://www.notalone.
VII. Confidentiality

A. Title IX requires all universities to identify “responsible employees” as those who are obligated to report all details of an incident, including the identities of those involved, to the Department of Public Safety whenever that information is brought forward to the employee. The Department of Public Safety will notify the Title IX Coordinator when a report has been filed. Responsible employees include faculty, administrative staff and some student staff. Responsible employees do not include the following:

1. Professional, licensed counselors, such as the psychologists at Student Psychological Services, (310) 338-2868, are not required to report any information regarding an alleged sexual misconduct or interpersonal misconduct, to the Department of Public Safety, the Title IX Coordinator or any other reporting body, without consent from the student.

Pastoral counselors, such as Catholic priests and women religious, are not required to report any information regarding an alleged sexual misconduct or interpersonal misconduct, to the Department of Public Safety, the Title IX Coordinator or any other reporting body, without consent from the student provided they receive the information in performance of their pastoral duties.

2. Student Health Center Staff, such as doctors and nurse practitioners at Student Health Services (310) 338-2881, are not required to report any information regarding an alleged sexual misconduct or interpersonal misconduct, to the Department of Public Safety, the Title IX Coordinator or any other reporting body on campus, without consent from the student. The Health Center Staff will be required to report signs of physical or sexual abuse to the Los Angeles Police Department.

3. LMU Confidential Resource Administrators (LMU CRAs), their names can be found on the LMU CARES website, may speak confidentially with students regarding incidents of sexual misconduct and interpersonal misconduct without automatically triggering a University investigation into the matter. These individuals do have time and place reporting responsibilities under the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (Clery Act), but are not obligated to report identifying information of the Complainant. If the Respondent’s name is presented to a LMU CRA, they will be obligated to report that information to the Title IX Coordinator. Reports by the LMU CRA will not trigger a University investigation unless the Title IX Coordinator in consultation with the Senior Vice President for Student Affairs or designee determines that an investigation is necessary because:
   a. The Respondent has known prior allegations of sexual or interpersonal misconduct and a potential for a campus safety risk exists; or
   b. The location in which the alleged incident occurred is a location where previous complaints of sexual or interpersonal misconduct occurred creating the potential for an unsafe environment for the LMU community; or
   c. A threat to the campus community at large has been identified; or
d. A frequency or pattern is detected that suggests an unsafe environment exists for the LMU community or an LMU community member; or

e. The sexual or interpersonal misconduct was perpetrated with a weapon; or

f. The victim is a minor; or

g. Some combination of the above factors exists.

B. Students reporting an incident of sexual or interpersonal misconduct to a responsible employee may request confidentiality. Students should be aware that if they request confidentiality, then the University’s ability to effectively investigate and adjudicate the instance(s) of sexual or interpersonal misconduct may be impaired. The University cannot guarantee confidentiality in this instance, and certain factors will be considered in determining whether the confidentiality request can be honored. Those factors include those listed above in Section VII(A)(3).

C. The Title IX Coordinator, in consultation with the Senior Vice President for Student Affairs or designee, is responsible for determining whether the confidentiality of the Complainant can be honored. If the decision is made that confidentiality cannot be honored, then the University will only inform the necessary individuals and entities on campus required to perform a thorough investigation and adjudication of the complaint. The University will respond to any accusations of retaliation against the Complainant or witnesses brought upon by the investigation or adjudication of the misconduct.

VIII. Student Affairs Resource Administrators
When an allegation of sexual or interpersonal misconduct is brought to the attention of LMU, the Associate Dean of Students or designee will assign a Student Affairs Resource Administrator (SARA) to both the Complainant and Respondent (if a Respondent has been identified). The SARAs will make themselves available, separately, to assist both the Complainant and Respondent in identifying University and external resources that are available to them in the context of alleged sexual misconduct or interpersonal misconduct. SARAs will also review with Complainants what interim measures may be available to them (as outlined in Section II(C) of this policy). Complainants will be assigned a SARA regardless of whether they provide LMU with the name of the Respondent or willingly participate in the conduct process. The SARAs are members of the Division of Student Affairs who are trained to assist the parties in identifying University and external resources and explaining the University’s judicial process in cases of alleged Student Conduct Code violations relating to sexual misconduct and interpersonal misconduct. The SARAs are not advocates. The role of the SARA is to:

A. Provide information regarding resources on and off campus such as Student Psychological Services (SPS), Student Health Services (SHS), Student Housing, Department of Public Safety (DPS), Los Angeles Police Department (LAPD), Rape Treatment Center at Santa Monica-UCLA Medical Center, Campus Ministry and Judicial Affairs.
B. Explain all stages of the LMU Student Conduct Code Judicial Affairs process, including potential outcomes for both Complainant and Respondent.

C. Provide information, explanation and review so that the parties can make an informed decision about the options available to them, including reporting to law enforcement, filing and responding to Student Conduct Code complaints, and documenting their decisions.

D. Follow up with the student through the Student Conduct Code process to ensure that no retaliation is taking place and to continue to provide the student access to the resources that the student requires.

IX. Advisor

Prior to the commencement of Student Conduct Code proceedings, both the Complainant and the Respondent will be assigned Advisors by the Associate Dean of Students or designee to assist the Students as they progress through the University conduct process. Students are not required to utilize their appointed Advisors, and may select a different Advisor. In the unique instance of an incident involving Sexual Harassment/sexual misconduct and/or interpersonal misconduct, Complainants and Respondents may choose an Advisor of their choice.

If the Student chooses an Advisor for incidents involving Sexual Harassment/sexual misconduct and/or interpersonal misconduct, that Advisor is still subject to the requirements set forth in Section VII(C)(6) of the Student Conduct Code.
What Should You Do if You Experience Sexual Assault, Sexual Violence, Domestic Violence, Dating Violence or Stalking?

A. Go to a safe place as soon as you can

B. Preserve all physical evidence
Do not wash your face or hands, bathe, brush your teeth, drink or eat, douche or change clothes. If you do change your clothes, put all clothing you were wearing at the time of the assault in individual paper bags (not plastic). It is important to preserve as much evidence as possible for investigation and processing of criminal and/or disciplinary charges.

C. Contact LMU Department of Public Safety - (310) 338-2893/222 (Emergency Line on campus)
LMU Public Safety can also be reached by activating the blue light boxes located throughout campus. Public Safety can assist you in reporting a crime that occurred off campus to the appropriate authorities. You may decline to report your experience to such authorities.

D. Seek immediate or prompt medical treatment (typically within 72 hours)
It is important to seek immediate or prompt and necessary follow-up medical attention for several reasons:

1. To assess and treat any physical injuries you may have sustained.
2. To determine the risk of sexually transmitted diseases or pregnancy and take appropriate medical measures.
3. If you choose, you may have evidence collected and preserved to aid in the investigation and processing of criminal prosecution and/or disciplinary action.

It is best for any physical evidence to be collected within the first 24 hours following the incident (the quality and quantity of evidence collected later than this may be substantially diminished).

E. Visit the Rape Treatment Center at Santa Monica-UCLA Medical Center—(310) 319-4000
The Rape Treatment Center can provide general medical treatment and, if you choose, collection of evidence. A medical exam could include treatment of any physical problems; evaluation of risks; various lab tests for sexually transmitted diseases and pregnancy; appropriate treatment; identification and collection of physical evidence of any Sexual Assault.
A specially trained nurse will perform the evidence collection exam. A Sexual Assault advocate or a support person of your choice may be present throughout the procedure.

The Rape Treatment Center hospital emergency department follows national standards for victim care, Sexual Assault exams and evidence collection procedures. If the decision is made to conduct an evidence collection exam, the anonymous evidence may be held for six months or longer. This means you do not have to decide immediately whether or not you want to press charges.

The Rape Treatment Center also provides long term counseling support for victims of Sexual Assault and sexual violence, as well as advocacy and accompanying services.

**F. Schedule non-emergency medical treatment—(310) 338-2881**

Even if you choose not to go to the hospital or to seek immediate medical attention, it is still important to get medical attention to treat any physical problems and to conduct various lab tests for sexually transmitted diseases and pregnancy. To arrange non-emergency treatment, contact the Student Health Center via telephone or as a walk-in visit to their office in the Burns Recreation Center, between 8 a.m. to 5 p.m. If you say that you have been a victim of Sexual Assault, sexual violence, Domestic Violence, Dating Violence or Stalking, you will be offered a general medical examination by a licensed health care provider. You will also be offered a referral to Student Psychological Services (SPS) for counseling and support.

**G. Utilize counseling services—(310) 338-2868**

SPS has mental health professionals available for students in crisis. During regular office hours you can call SPS or come to the office located in the Burns Recreational Center. Office hours are Monday, Tuesday, Thursday and Friday 8:00 a.m. to 5:00 p.m. and on Wednesday from 8:00 a.m. to 7:00 p.m. A therapist will see you without an appointment if you have an emergency. 1. STATEMENT OF POLICY
Loyola Marymount University is dedicated to fostering the education of the whole person and strives to provide an environment that encourages the search for truth and freedom of inquiry. The University recognizes the important contribution a diverse community of students, faculty, and staff makes towards the advancement of its goals and ideals. The University is committed to providing an environment that is free of discrimination and harassment as defined by federal, state, and local law, as well as under this policy. Any violations of this policy will be treated as serious misconduct and result in appropriate disciplinary action up to and including dismissal from the University.
This policy applies to all students, faculty, and staff, including but not limited to trainees, non-supervisory staff, supervisors, managers, directors, and leadership. It is also the policy of the University to protect its students, faculty and staff from unlawful harassment by vendors, guests, and other visitors to the University. It is the responsibility of every student, faculty, and staff member to follow this policy conscientiously.

Equal Opportunity & Non-Discrimination
The University prohibits unlawful discrimination on the basis of race, religious creed, color, national origin, ancestry, physical disability, mental disability, legally protected medical condition (cancer-related and genetic characteristics), marital status, sex (including gender identity or gender expression as defined by law, pregnancy, childbirth, breastfeeding or related medical condition), age 40 or over, military or veteran status, sexual orientation, genetic information or any other bases protected by federal (including but not limited to Title VI and Title VII of the Civil Rights Act of 1964, Title IX of the Education Amendments of 1972, Section 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act of 1990), state, or local law. The University does not discriminate on these bases, or any other basis protected by federal (including but not limited to Title VI and Title VII of the Civil Rights Act of 1964, Title IX of the Education Amendments of 1972, Section 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act of 1990), state, or local law. The University does not discriminate on these bases, or any other basis protected by law, in the administration of any of its education or admissions policies, scholarship or loan programs, athletics, and other school-administered policies and programs, or in its employment policies and practices. All University policies, practices, and procedures are administered in a manner consistent with LMU’s Jesuit identity and character.

Non-Discrimination on the Basis of Disability
Section 504 of the Rehabilitation Act of 1973 of the U.S. Department of Health and Human Services regulations implementing the act states that, “no otherwise qualified disabled individual . . . shall, solely by reason of his [or her] disability, be excluded from the participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving Federal financial assistance,” such as Financial Aid. Section 504 administration and compliance are coordinated through Academic Affairs, Disability Support Services for students, and through Human Resources for faculty and staff. The University provides reasonable accommodation of qualified individuals with mental and/or physical disabilities whose needs are made known. A student seeking an
accommodation should contact his or her academic advisor or Disability Support Services. Faculty and staff seeking an accommodation should contact his or her supervisor or Human Resources.

**Hate Crimes and Bias-Motivated Incidents**
The University will not tolerate hate crimes or bias-motivated incidents and will respond to them with appropriate sanctions which may include for students expulsion, suspension, or exclusion from the campus and for faculty and staff disciplinary action up to and including termination. Students, faculty, or staff who experience or witness any form of hate crime or bias-motivated incident should immediately report the incident to the Department of Public Safety.

2. DEFINITIONS

“**Hate Crimes**” are acts of physical force, threats, or intimidation that are willfully or knowingly committed because of the victim’s actual or perceived disability, gender, nationality, race or ethnicity, religion or sexual orientation. Hate crimes are expressed in several ways, sometimes physical violence and sometimes violence against property. (California Penal Code, §§422.55 and 422.6).

“**Bias-Motivated Incidents**” are acts, including, but not limited to, disseminating racist flyers or defacing a student organization flyer, which do not violate the State Penal Code, but originate in bias against someone’s actual or perceived disability, gender, nationality, race or ethnicity, religion or sexual orientation.

These policy definitions are not intended to and do not limit the University’s ability to discipline or otherwise respond to conduct which does not necessarily violate the law, but which the University determines is a violation of this policy.
