

# Art Therapy in Mexico Summer 2006

## Courses Offered

Art therapy classes are scheduled from 9 a.m. until 12 p.m. Monday through Friday. Conversational Spanish classes are held from 2 p.m. until 3 p.m. at the Instituto Allende.

*Monday July 3rd–Friday July 7th*

### Explorations in Art Psychotherapy

#### **MFTH 603 at Instituto Allende**

**Debra Linesch PhD, LMT, ATR-BC** introduces the foundations and applications of art psychotherapy in clinical practice through both didactic and experiential art processes. Art experience is not required.

*Monday July 10th–Friday July 14th*

### Multicultural Art Psychotherapy

#### **MFTH 620.1 at Instituto Allende**

**Janet Carnay MA, LMFT, ATR** and **Debra Linesch PhD, LMT, ATR-BC** facilitate an exploration of cultural issues including art processes in support of expanding multicultural clinical competencies.

*Monday July 17th–Friday July 21st*

### Artisans of Michoacan: Art Therapy Connections

#### **MFTH 620.2 week-long field trip**

Anthropologist, **Amanda Parsons**, leads the group to Morelia and Patzcuaro to investigate the indigenous art forms of Michoacan, exploring the ways in which story telling and identity are manifest in the creative process and products of the region.

*Monday July 17th–Friday July 21st*

### Clinical Applications of Art Therapy

#### **MFTH 605 at Instituto Allende**

**Jane Schulman MA, LMFT, ATR** explores the ways in which the art process can be utilized in different settings and with a variety of patient populations.
