

Learn-to-Swim

Swim Lesson Schedule

Private and Semi-Private swim lessons are a great opportunity to individualize your swim lesson experience! Lessons are scheduled by appointment only and all communication and scheduling of lessons occurs between the instructor and client. Lessons are offered during recreational swim hours and contingent on pool availability. In order to maximize the progress of students participating in semi-private lessons, it is recommended that both students be of similar swimming ability.

*****Please allow at least 1 week for processing*****
