

Faculty/Staff–Student Dating Policy

I. Introduction

As a University dedicated to fostering the dignity of each person, Loyola Marymount University strives to encourage learning and promote justice. The University seeks to create an environment that is free of exploitation and unlawful harassment or discrimination that undermines the integrity of the institution.

II. Policy

Loyola Marymount University prohibits consensual relationships of a dating, intimate and/or sexual nature between faculty or staff and any student with whom the faculty or staff member is in a direct/power relationship. Furthermore, the University strongly discourages these consensual relationships even when no power relationship exists. This policy is rooted in the recognition that faculty– or staff–student relationships may be inherently unequal and contain an element of superiority or power. Consensual relationships between faculty or staff and students may give rise to the perception by others that there is favoritism or bias in educational decisions affecting students. These perceptions undermine the spirit of trust and mutual respect that is important to the University environment. This policy further strives to provide an environment that is free from sexual harassment.
