

## **Psychological Emergencies Policy**

---

*Loyola Marymount University*

A student who is believed to be a danger to himself/herself or to others due to psychological difficulties may be required to obtain professional evaluation and treatment. Decisions will be made by the Dean of Students or his/her designee in consultation with the appropriate mental and Physical health professionals and other staff as is deemed necessary. Failure to comply with this requirement may result in contact with the parents of dependent students, disciplinary action, or mandatory withdrawal from the University. Students seeking psychological/medical withdrawal from the University should refer to the LMU Undergraduate or Graduate Bulletin.
