FACULTY AND STAFF INFORMATION FOR THE STUDENT HEALTH CENTER

Loyola Marymount University's Student Health Center provides medical care to students with acute illnesses and injuries as well as the management of chronic diseases in consultation with off-campus specialists.

The SHC staff works with other LMU departments to foster a campus community that promotes healthy lifestyles.

Students are responsible for notifying professors of absences caused by illness or injury. The SHC does not issue medical excuses for missed classes or examinations. The only exceptions are for extended illnesses or injuries.

Faculty and staff are encouraged to contact the SHC at 310.338.2881 to refer students needing medical care.
