DATE: November 20, 2018

TO: Full-Time Tenured/Tenure-Track Faculty

FROM: Thomas Poon
Executive Vice President and Provost

SUBJECT: Faculty Service Report - Calendar Year 2018

Below please find your Faculty Service Report form for the calendar year 2018. This form is also available at [http://academics.lmu.edu/provost/resources/facultyresources/](http://academics.lmu.edu/provost/resources/facultyresources/). This form is intended to help you document your achievements during the past year and, when completed, will provide the basis of your evaluation by your Chair and Dean. **Faculty may also receive a specific reporting format required by their Dean.**

The evaluation includes an appraisal of your teaching, advising, scholarship and/or creative works, and service. Each Department Chair and Dean will evaluate the faculty member’s total contribution. This will provide an opportunity for you to reflect upon your total contribution to the University, among your peers, and within your discipline or field during the year, and to consider any areas where you would like to increase your involvement.

A specific timetable follows to inform your completion of the report for discussion with your Chair. Please meet the specific dates in the timetable, to allow preparation of the 2019-2020 contracts on schedule.

- **February 4, 2019:** Completed Faculty Service Report due to your Chair.

- **February 11 – March 1, 2019:** “The department Chair will meet privately with each member of the faculty to review services through the past year. At this meeting, the department Chair will discuss the faculty member’s self-evaluation and service as described in the Faculty Service Report. The department Chair will comment on the faculty member’s overall performance. No determination as to merit is to be made at this meeting. Merit recommendations will be made only after the review of all department faculty.” (Faculty Handbook, 2018, III. C. b., pg.15)

Following the meeting with an individual faculty member, the department Chair will provide the faculty member with a written report and evaluation (if that has not already been done prior to or during the meeting) and forward a copy to the Dean.

Once the department Chair has met with all department faculty, the Chair will provide each faculty member with a separate letter indicating the Chair’s merit recommendation.

- **February 11 – March 25, 2019:** “The department Chair will meet with the Dean and discuss the evaluation and ranking for each member of the department and the merit recommendation to be made to the Provost.” (Faculty Handbook, 2018, III. C. c., pg. 15)
“The Dean will review the recommendation of all department Chairs and will recommend the amount of merit to be given to each member of the faculty.” (Faculty Handbook, 2018, III. C. d., pg. 15) If the Dean's recommendation to the Provost differs from the Chair's recommendation, the Dean must notify the faculty member in writing before making a recommendation to the Provost.

For the 2018 FSR, Colleges/Schools will need to create merit criteria for departments that do not already have them, as specified by the Faculty Handbook. Please consult with your Chair to determine the status of your department's or College/School's document on merit criteria.
